Petition to
Governor

His Excellency

James Gerrard Esquire

Governor of the State of Kentuckey.

The petition of the Inhabitants of the Upper Blue Lick & its Vicinity. Humbly Sheweth.

That your petitioners labour under many inconveniencies greatly to their injury by having no Justice of the peace near them, since John Blair Esqr has moved to the North Western Territory. we therefore pray that Thomas Vaughan a citizen of Bourbon County may be commissioned a Justice of the peace in said county - he being (in our opinion) a Suitable person.

and your petitioners as in duty bound will pray.
