Dear Sir,

In closed is the Recommendations for a Surveyor & two Justices of the peace for Todd county the Justices are in Lieu of Smith Lofland, & James Connierz who were named in the first commission But were found upon Surveying the County to live out of the Boundays thereof Edward Beaty & Robert Elliz were Recommended in Lieu of Smith Lofland in the South End of our County & there were great Efforts made by a factious party to get Elliz first in the nomination who had been for several weeks before court planning & plotting out the best mode to obtain that object - But upon a full understanding of the matter, a great majority of the court & I believe the people mostly Interested therein were in favour of the appointment of Beaty as being Equally Deserving & qualyfied with any, & Resided in that particular Section of country where the greatest Vacancy from any other magistrate Exists & in one of the most wealthy & fertile parts of our country - while Mr Elliz Residence approximately much nearer to that ~~of~~ part of the county

when there are Rather more than a Just proportion of magistrats already - It is therefore hoped Beatty we be commissioned - notwithstanding any Effort that may be made in favour of the other. You will be good Enough write to our Clerk Informing him of all the Books papers & Dackements in your office for our county - all of which we are in great want of having Just Immerged into being & our with Books &c
