Be it remembered that at a Court began and held for the County of Warren at the Court house on monday the 2d day of October 1826 the Court proceeded to appoint a sheriff of said County for the next two years commencing on the first monday in January next, when it appeared to the Court that Joseph W. Smith Wm R. Payne and Thomas Sterrett esquires were all nominated as justices of the peace at the October term 1811 of the Warren County Court by the following order of said Court (here insert the copy of the record making the nominations) It further appears to the Court that William R. Payne first took his seat on the bench as a member of the Warren County Court, that Sr Thomas Sterrett first qualified as a Justice of the peace by taking the oaths of office as such, and that said Joseph W. Smith was the last who took his seat, and the last who took the oaths of office as such, that they severally took the oaths of office at the following times viz, Thomas Sterrett on the 18th day 1812. Wm R. Payne on the 3d February 1812 & Joseph W. Smith on the 13th May 1812. that in February 1812. Wm R. Payne's Certificate was filed, in August 1812. Thomas Sterrett's Certificate was filed, and in January 1813. Joseph W. Smith's Certificate was filed, and that commissions for each of them issued on the fifth December 1811. From the foregoing facts the said Sterrett claimed the right of being nominated to the Governor of this State as Sheriff for Warren County for the ensuing term of two years, but the Court refused to nominate him, and made the following nomination (here insert it) to which opinion of the Court & nomination the said Thomas Sterrett excepts & prays these his exceptions to be signed, sealed &c which is accordingly done.
