Paris October 30th 1820

Dear Sir,

The enclosed certificates will ex=
=plain somewhat the nature of the request I
have to make of you. But as it is a pecu=
niary trifle I ask to be remitted It may
be necessary for me to give a brief statement
of the facts relative to my having been
fined — At the time I failed to muster in
capt Wm Wrights company of the 71st Regt.
I belonged to capt Alexander S. Morrows com=
=pany of the 14th Regt and had been doing
duty as a soldier in capt Morrows company
for a year or two — The House I lived in
was situated on or near the boundary
line of the Town of Paris and I was claimed
as a private by the captains of each com=
=pany — After receiving my notice and mus=
=tering a part of the year in capt Morrows
company I was notified by the Sergt of
capt Wrights company to attend and do duty
in that company — I failed to do so — and
made the above statement before the court
martial for the 71st Regt but to no effect
I hope therefore that your Excellency

will remit the fine and by so doing you
will much oblige your obedient

Dr Sir

I Recd your very friendly letter of 6th Inst. on the subject of the remission of the excess of Tax demand the Bank of G. Town I shall be glad if this can be done without troubling the Legislature. —

I shew your letter to Mr Lyle to whom the legal tax was paid, he pledged himself that if the excess was remitted he would certainly go down next week or week after and pay it in & that his business prevented his going sooner. —

Inclosed you have a report of Stock paid in from which you will find we have paid rather over the amt you will find inclosed Mr Lyles acknowledgements of the Recd of the Tax. If you would take the trouble to walk with the bearer Mr Shannon and see the Governor on this subject you will much oblige the Commissioners

George Town October 11th 1820

His Excellency Jno. Adair

Sir

Through inadvertance in the hurry of settling and transfering the business of the Bank of George Town to the Commissioners there was an omission to make a Report to the Auditor the amount of Stock actually paid in by the Share holders, In consequence of which the Auditor was compelled to issue his warrant for the full amount of Tax on the Capital allowed said Bank viz $300.000

We your petitioners respectfully represent that the sum of $124.640 was the whole amount of Stock paid in by the Share holders, as will appear from the Cashiers Report to the Auditor of this date. That we ceased to do business in Bank 8th Augt 1819. and commenced closing its concerns. Our failure to report to the Auditor did not arise from a disposition to evade the payment of the Legal Tax.

In consideration of the premises and the power wisely vested in the Executive to remit penalties, We approach you with confidence and request that the penalty above the real Tax due may be remitted.

SL 13-86

We would further suggest whether your Excellency has not power to remit the Tax that accrued after the Bank ceased its operations. — If so we would petition your excellency to that effect

Respectfully
