Sir

Your letter of the 10th inst. addressed to the Secretary of War, has been referred to this Office, and in reply I have the honor to inform you, that orders have been transmitted to Major Baker commanding the Arsenal at Pittsburgh, to cause the arms and accoutrements required for the use of the Militia of the State over which you preside, to be forwarded to E. H. Taylor Quarter Master General at Louisville. — It is probable however, that there may be some delay in forwarding the rifle accoutrements, as there is not a sufficient supply of them on hand. — They will be provided and forwarded as early as practicable.

Very respectfully, I am, Sir
