To his excellency Thomas Metcalf Governor of the Commonwealth of Kentucky. — Your petitioners would respectfully State to Your excellency, that at the last term of the honourable Circuit Court for the County of Nicholas a presentment was made out by the grand-jury of the County against Zachariah Wall for the retailing of Spiritious liquors, and that he was found by the Court in the sum of ten dollars with Costs &c. — Your petitioners would State that from their knowledge of Mr. Wall, that they are firmly convinced that he was guilty of the indiscretion for which he was fined by his entire ignorance of the law, and that they believe that he is incapable of violating the laws of his Country, when furnished with light & knowledge. — They furthermore State that Mr. Wall is a very poor man; a renter of the place on which he resides, and that the payment of the fine and costs would greatly oppress him; they therefore appeal to the benity of Your excellency, and pray for a remission of the fine and costs awarded against Mr. Wall; and at the same time give it as their decided opinion that he will not again offend in a similar manner. — Your compliance with the above prayer will confer a great

rendered against said Wooldridge as the

tho' we would condemn the practice of gaming

A statement of the facts & circumstances in this case by the Com^{tee} Atty is desirable

I am well acquainted with most of the subscribers to the annexed petition — They are among the most worthy & respectable men of the State, & many of them such as most especially eschew all gambling and all gamblers — I also know Wm Wooldredge well, & believe him to be a most excellent & meritorious man — The situation in which he is now placed, was the effect, I have no doubt, of his kindness & benevolence, & not of any interested connection with any gambling or Gamblers.
