Wm Cast's
Petition
Rejected -

To the Honourable his Excellency John Breathitt - Governor of Kentucky - your Petitioner William R. H. East - respectfully Sheweth that - on the 26th day of December 1833 - in the Town of Winchester - during the day he became intoxicated by associating in a social way with his young comrades - That while under the influence of liquor he paraded about the streets with arms to the annoyance of the citizens & contrary to the Town ordinance - that in obedience to the order of the trustees of said Town he was arrested & fined the sum of Ten dollars for such his offence - That he done no injury to any person or property - but under the influence of liquor alone acted in a foolish manner & excited some alarm - all which he very much regrets - never has nor ever will act in the same way again - He thinks the citizens will subscribe to the fact that he is one of their peaceable orderly members - and that they will vouch for his future good conduct -

B7-109

He prays for a remission of said fine Wm R H Cast

We do hereby certify that statements contained in the foregoing Petition of W. R. H. Cast are true so far as we know or believe - Given under our hands as citizens of Winchester Ky -
