L. Sanders Esq.

Dr. Sir

The Gov. sometime last summer remitted $200 of the $300 vs the Swifts on a recognizance in my Court. The relief was granted the sureties to the full extent of their prayer - the $100 left was the principal deft's part viz Anthony Swift who was the felon - He has abandoned the Country, but left the Cash to pay the $100 & costs - The securities I understand intend applying to the Gov. for further relief - I presume under the circumstances of this case, the Gov. will not again take up the subject - I drop this early hint, to place the subject in its true light before you.

Kentucky Cumberland County Court

From the Statements made to me a few days since by David Swift the defendant in an execution I have against him in favour of the Commonwealth, which issued by the Clerk of the Cumberland Circuit Court — I understood from him that his brother Anthony Swift for whom he went security & who had left the Country, had sold his land & the money was now ready to pay off the balance of the recognizance, the Governor had not remitted and said he understood the money had been paid over to the Clerk of the Court, and was somewhat surprised the Clerk had issued the execution — the land being sold to Anderson Hill by said Anthony Swift, and said Hill having paid the money to the Clerk on judgments obtained on the notes for the land

for George Swope S.Ctt

Mr. David Swift informed me he intended to pay off the judgment refered to in the above statement, as his brother Anthony had left the means for that purpose & that he intended the Anderson Hill judgments to go to the satisfaction of the balance of the recognizance & I agreed I should charge him no clerks fees — Nov. 11th 1833

Office -

Dear Sir

Office 12. Nov. 1833

Inclosed are the statements of the deputy sheriff & myself in relation to the Claim vs. Swifts –

I understand he is making arrangement to start to the Gov. for further relief – & no doubt will obtain signers to his petition, who are wholly ignorant of the true situation of the facts of the case – The truth is the Gov.r has granted the relief sought for, & the money is left by the absconding obligor in the hands of this petitioner, to pay off the balance –

Yours Very Respectfully

M. King
