Recommending a Judge & attorney to the new Judicial District, if formed—

GLASGOW FEB 6 KY

His Excellency R. P. Letcher
Governor of Kentucky

Glasgow Ky 6th Feb 1841

Dear Sir

From some accounts which I have seen of the Legislative proceedings, it appears to be probable that a new judicial district will be made in which this County will be included.- If the bill should pass, it will devolve upon you to appoint, or, in other words recommend, to the Senate persons for Judge and Commonwealths Attorney.- Permit me to mention to you the name of Benjamin Monroe, as a suitable person to fill the office of Judge.- He has presided as Judge in this County (as you know) for several years, and has shown himself a good Judge, and one with whom the people generally were well pleased.- And I know that his re-appointment to the office of Judge in this County would be pleasing to the Citizens.- As to the office of Comwls. atto. I hope it will not be thought indecorous, if I mention to you my own name, and allow me to say that I would be glad to receive the appointment. I would refer you to B. Mills Crenshaw of the house of Representatives for information as to my qualifications &c &c. And if upon consultation you should consider it consistent with your duty to your Country to nominate me for that office, you will confer a singular favour upon your Humble servant by so doing I am very respectfully your friend &c

John W Riller

P.S. I do not get up a petition thinking that a consultation with

Mr Crenshaw will be entirely satisfactory to you, if I am mistaken in this, please refer to J. S Barlow, and Col A Young of the senate, and Maj. W G. Howard and J B Stockton and G. W. Craddock of the low house
