His Excellency Thos. Greenup Esq.

Governor of Kentucky

Shepherdsville Dec. 21st 1807

At the request of James Caldwell Esq. I would beg leave to acquaint his Excellency the Governor of Kentucky that during the said Caldwell's continuance in office hitherto he has been an extremely industrious Sheriff, as I believe an honest one, and that so far as I know his opinion seems generally to be entertained of him by those who are acquainted with him.

Christopher Greenup Esquire

Mr Caldwell. Governor of Kentucky

Bards Town Decr. 23d 1807

Dear Sir,

Being informed by Mr James Caldwell that the Office of Sheriff is or will become vacant in Bullitt for want of a proper recommendation from the County Court, and that he is a Candidate for the appointment to be made — and being requested by him to write to you on the subject — I do without hesitation assure you, that so far as has come to my knowledge or hearing, Mr Caldwell has discharged the duties of his Office of Sheriff with propriety, punctuality & impartiality — having done the business chiefly if not wholly in person.

I have heard also that William Simmons Esqr is the next oldest Magistrate to Mr Caldwell, If you feel inclined to be influenced by that circumstance in making the appointment I must in justice to Capt Simmons & my own mind declare that I think him a man of strict integrity and would discharge that or any other Office to the best of his information & ability. I am with the greatest respect
