The undersigned duly impressed with a desire ~~to~~ at all times to impartially give his Opinion in all cases of Controversy which hath or may occur in the Corps he has the Honor to Command, particularly where the Seniority of Offices is concerned, ~~where~~ but must assure you it is painful to him at present, being obliged to write by Memory having not the Aid of Law, — However to him it appears, that there cannot exist two distinct & different kinds of Seniority, in any Corps, viz

It is not agreeable to Military usage that an Officer should be Senr. in a Battalion, & Juniour in the Regt. to which his Battalion belongs, of consequence the reverse of the proposition cannot be good

It is not agreeable to Military usage that, When the Commissions of all the Officers of equal Rank in a Regt. are of one date, that they the Officers should Rank't for Seniority by, Battalions, or by Compys. or Detatchments, But Regimentally only, because they are the parts which compose one body, and by Law is subject to incorporation & to do duty as one individual Corps

Gentn. It would give me extream pleasure to be assured of a sincere Harmony existing within the Regt. to which you are appointed Officers, & will be happy at all times to ~~use~~ contribute to so desirable an Object I am with sincere esteem Gentn
