To His Excellency, Thomas Ford

WHEREAS, Alonzo Pate

And, whereas, information has been received at the Executive Department of this State, that the said Alonzo Pate has fled from justice, and is now in the State of Illinois

and it being important and highly necessary for the good of society, that the perpetrators of such offences should be brought to justice: Now, **therefore, I, Robert P. ~~This certificate will not be necessary to the parties in court~~

Be it remembered that on the day of in the Year Eighteen hundred & forty two Personally appeared before me the undersigned Clerk of County of & State of Kentucky being a Court of Record Joseph F. Philips & Letitia D. Philips both of whom are personally known to me to be the persons whose names are subscribed to the foregoing instrument of writing as parties thereto and acknowledged the same to be their act & deed for the purposes therein mentioned. And she the said Letitia D. Philips being by me first made acquainted with the contents of said deed acknowledged on an examination separate & apart from her said husband, that she executed the same freely and without compulsion or undue influence of her said husband

Seal

On testimony whereof I have hereto set my hand and affixed the seal of said Court on the day & year aforesaid —

This will be the form if the deed is to be reacknowledged

But there will be no necessity of reacknowledgement if the Clerk & Judge will remodel their certificates of the same date on which they are now made —

412-177

The Judge must insert in his certificate, then additional words — after the words Joseph F. Philips — insert

"Who is personally known to me to be the person whose name is subscribed to the foregoing instrument of writing as a party thereto"

This will make the Judge's certificate right — but the Clerk of the Circuit Court must certify under the seal of the Court that Mason Brown is the Judge of that Court & that it is Court of Record — & was at the date of the certificate —

The Clerk had better write his over again using the very words on the other page — leaving out the husbands name — I mean the Clerk of the County Court

Thus — the Judge will alter his certificate by adding the words above — but will not alter the date — And the Clerk of Judge Brown's Court will certify that he was the Judge & that it was a court of record —

2 — The Clerk of the County Court will write the acknowledgement of the lady over again — of the same date & will use the words & none other that I have used in the first certificate leaving out the husbands name —

If Judge Brown should be absent — and Mr Phillips has arrived in Frankfort then the first Certificate will answer but only in that event — but if the Judge is there the quickest way will be to get him to remodel his certificate in the manner written opposite this —

Mr Rennick must write a new Certificate and use the words of the first certificate on this paper verbatim except he must leave Mr Phillips name out —
