WAR DEPARTMENT,

THE ADJUTANT GENERAL'S OFFICE,

WASHINGTON, July 27, 1916

Respectfully returned to

Confederate Pension Department,
State of Kentucky,
Frankfort,

with the information that Capt. Benj. D. Terry served ~~served~~ in 1 (Helm's) and 5 Ky. Cav., also in an organization called Morgan's Mem. Ky (Cav) C.S.A., in none of which has the name William Mansfield Calvert been found, nor does it or any similar name occur on the general index of Kentucky, C.S.A.

There are no rolls on file for any organization designated the 1 Battalion Ky. Cav., C.S.A., although several regiments, including the 1 (Helm's) were for a time called battalions. This regiment finally became by consolidation a part of 1 (Butler's) Ky. Cav. and our William Calbert is borne as private on muster roll of new company H, last named regiment not dated, but evidently covering for September & October, 1864. He is shown as enlisted September 21, 1862 in Nelson County, Ky and on paid roll is shown absent on duty at Army Headquarters. No other roll on file.

Capt Terry served in Co. G, 1 (Helm's) Ky Cav. the rolls on file of which cover from Oct 1, 1862 to Dec 31, 1864 but he does not appear to have served in the 1 (Butler's) Ky Cav.

Records show one W. P. Calvert as of Co B, 5 Ky Cav.

H. T. Ulmer
The Adjutant General.
