Dr Sir

You state to me that reports have been by some means been circulating that many of your Indictments have been quashed since you have been Prosecuting for the Commonwealth in this the 8th Judicial District and wish a statement from me upon that subject. I have been reflecting upon the subject, and am not able to call to my recollection more than one Case in which an Indictment of yours has been quashed since you have been Prosecuting (which was in Green County) if there has been any other Case it has escaped my recollection but I feel great confidence in my belief that there has been no other Case

I am respectfully Yours

It is anticipated by some that there will shortly be a vacancy in the Judgeship of the 12th Judicial District

In case of a vacancy permit me to recommend to you Capt. John Runcaid of Lincoln as a fit person to fill the vacancy - Capt. Runcaid is a gentleman with whom I have been long acquainted and as fair as I am capable of judging he is every way qualified to fill that important Station. The District is composed of Garrard, Lincoln, Casey, Pulaski and Wayne

The Capt has for some seven or eight years or longer been a regular practitioner in the Courts of those Counties & if report be true the the People of those Counties esteem him one among the best Lawyers of this Circuit. The Capt and myself have for the last six years practised together in several of the Courts in my Circuit, and I am free to say that as a Lawyer he stands second to no man in the District in my estimation

As a man of integrity he stands prominent - As a Patriot he entertains sentiments which are dear to real liberty and the rights of the People.

In case of a vacancy

I have no doubt the appointment of Capt. Kincaid as Judge would give general satisfaction to the People of the District, and indeed to all who know him.

With high respect

His Excellency Gov.r Desha

In conformity to my determination formed some months ago. I hereby resign the office of agent of the Kentucky Penitentiary. I have delayed this act for some time in consequence of the conduct of the Keeper of the Penitentiary towards me and would have preferred delaying it a few days longer until the committee of investigation should have reported, but understanding that the Committee were satisfied with my conduct and my time of service about to expire and not desiring a reappointment. I have thought it proper to now resign. So that a Successor might be

appointed in my place whilst the
office is in a proper state to pass over
to him
