Dear Sir

Again We have forwarded a recommendation of Thomas James Esqr to your Excellency but I have heard it has not been attended to for want of an Official account of his resignation last summer. I write on account of the great urgency that now exists in our County for a associate Judge. There is a Prisoner in our Jail which from its insufficiency requires a guard of four persons continually. which should there be no associate Judge appointed by the next regular term will amount to large amount a burden which our County is very unable to bear. With great respect

Governor of the State of Kentucky

Your Petitioners would Suggest that some time in the
Month of March 1823. a Certain George Williams
of Grant County Labourer, had an unavoidable
dispute with one of his neighbours and having
been taken under the Riot Act by a warrant
from a Justice of the peace, the said Williams
was fined about Six Dollars and the
said Williams considering himself aggrieved by the
same and being unable to pay the same without
Essential injury to his family, together with the
Bodily infirmities of your Petitioners would therefor
solicit your Excellency to remit the said fine &
and your Petitioners will ever pray &c

Dear Sir

Without intending
on your patience the form of a petition I beg
leave briefly to say that I am dunned for a fine of
18 dollars for not doing Military duty, in Capt. Dillen's
company in the first regiment of County Militia in the
year 1820 Which I am unwilling to pay because
I was then enrolled in Capt. Vanwinkle's company of
the same regt and required to muster under him
I have performed my share of duty both in peace
and in war and think it hard to be fined at this
late period under such circumstances

The want of other means of redress must apologize
for troubling your Excellency on so trifling a subject

Very respectfully

Sir

I beg leave to inform your Excellency that (in consequence of my not being at home when the Court of assessment met. for the purpose of fining those who did not attend muster,) I have been fined Twelve Dollars. I have been at considerable expence and used every exertion in my power to promote the interest of the Company which I command, and never absent my self when I can avoid it. If there is no way in which I can get off without paying it except through your Excellency - and hope you will be pleased to remit it - Col Chambers to, whose Regt I belong can inform your Excellency. I have known yaur petioner for I think about Eleven years I have had Dealings with him Several times. and heard his Neighbours and Aquentance Speak of him. Repeatedly. I never heard any person Speak a disrespectful word of him in my life. untill this unfortunate occurrence. from what I know of the yaung man I feel no hesitation in saying that if he has been Guilty of the Crime he is Charged with. it was not intentional on his part but Accidental. this I Believe to be the fact for this reasan. I have often Seen him in publick Company. and in one or two instanas have known him to bear insult Rather than fight.
