To his Excellency Jos. Desha Governor of the Com.th of Kentu.y - Your Petitioner Elijah Hawkins Clerk of the Scott County Court would respectfully represent that at the last Term of the General Court he was fined in the sum of $200 for failing to return the Sheriff's Bond to the Auditor agreeably to law - He states that he was never notified of any motion existing against him in the General Court - And that a judgment was rendered against him previous to the reception of a letter from the Auditor notifying him that the Bond had not been sent on. He states further, that the Sheriff was one of the Contractors to furnish the Army of the United States in the Arkansas Territory and was absent on that business when the Bond should have been entered into - And that the Securities entered into Bond, at the subsequent Court to the time when the Bond should have been entered into - After which the Sheriff David Thomson returned & signed the Bond. And it was owing to that irregularity

Sept 17 1825

To his Excellency Joseph Desha, Governor of the Commonwealth of Kentucky —

Your Petitioner Joseph G. Roberts respectfully represents that during 1824 he was attached to the light Infantry Company in the town of Frankfort commanded by Captain Charles Gibbs, & that his name was also continued thro' mistake on the muster Roll of Captain Monroe's Company; — that during the same year fined to the Amount of Eight Dollars were addedd against him, viz. four Dollars in each Company, for failing to attend the regular musters, and that the said fines are now in the handd of the proper officer for collection — In excuse of the delinquency aforesaid your Petitioner begs leave to state that at the time the said fines accrued, he was employed in attendance on the sick which rendered it impossible for him without improperly neglecting his Patients to attend to Militia duty — Your Petitioner therefore prays that the fines aforesaid may be remitted & that he may be exonerated from the urgent payment of the same —

Respectfully &c
