The Governor this day granted a free and full pardon to Isaac Wallace convicted at the May term 1908. of the Crime of manslaughter and sentenced to serve Twelve years in the penitentiary. and filed the following reasons:

At the May term 1908. of the Pike Circuit Court. Isaac Wallace was convicted of manslaughter and his punishment fixed at imprisonment in the State Penitentiary for a term of Twelve years. He was received at the prison June 1st. 1908. and therefore has served nearly five years of that sentence.

I am now asked to grant him a full and free pardon. and in support of such action many strong recommendations are submitted. including that of the trial judge the Commonwealths Attorney who prosecuted him. the present Commonwealths Attorney. Representative William L. Bowling. two members of the jury that rendered the verdict. the County Judge. County Attorney. County Clerk. Circuit Court Clerk. Sheriff. County Superintendent of Schools. and numerous other good Citizens of the County.

Circuit Judge Kirk. who tried the Case. writes "I do not know of any valid reason why he should not be pardoned. R. Monroe Fields the present Commonwealths Attorney submits his recommendation" after consulting with the old Commonwealths Attorney. it seems there is room for considerable doubt as to this man being the perpetrator of the Crime. The General public opinion seems to be that he is the wrong man. Therefore I feel. in view of of the punishment he has already had. it would not be a mistake to pardon him." Ex Commonwealths Attorney. John F. Butler. states: "It has never been clear to me that he (Wallace) actually did it and I am inclined to be of the opinion that he

ought to be released from prison." William L. Bowling a member of the Kentucky House of Representatives. states as follows: "I trust you will see your way clear to extend to this man the relief asked for by the petitioners in his behalf. I am sure if you do, that your action will meet the hearty approve of the best element of people in this community."

Upon careful consideration of all the papers in the case. and in view of the doubt expressed as to the main fact, presented by practically all of the Court officials and numerous County officers and other good citizens of the County. and acting upon the strong endorsements of Executive Clemency submitted in behalf of Isaac Wallace. I conclude that he should now be pardoned.

2.00 P.M. The Governor this day appointed and Commissioned Chas. U. Kardin a Notary Public for Pendleton County.

The Governor this day restored to citizenship W.P. Bright, convicted at the September term 1904. of the Marion Circuit Court, of the Crime of manslaughter, and sentenced to serve three years in the Penitentiary, and filed the following reasons:
The petitioner served the full term in prison, and since his release about five years ago, he has resided in Marion County, where he has led a quiet law abiding life. The petition is signed by County Judge Smith, Circuit Clerk Spalding, Lafe S. Pence, Jas. T. Averitt, P. H. McElroy, County Attorney McElroy, County Clerk Spalding, and numerous other good citizens of the community. In view of the petitioners good conduct during the past five years, as attested by representative citizens of Marion County, I conclude that he deserves to be restored to citizenship, have so ordered.

The Governor this day restored to citizenship Newell Brewer, convicted of manslaughter at the September term 1902. of the Owsley Circuit Court, and sentenced to five years in the Penitentiary, and filed the following reasons, It appears that Newell Brewer served the full term in prison, and was a good obedient prisoner since his release, nearly seven years ago, according to the statement of County Attorney Bullock, Supt of Schools D.H. Garrett, of Owsley County, Attorney A. W. Baker, and many other good citizens of Owsley and Jackson Counties, his conduct has been above reproach, and he has shown that he deserves to be restored to all rights of citizenship. Under these circumstances,

I conclude that his petition is meritorious and should be granted.

The Governor this day assigned to Judge Hugh Riddell, the case of Commonwealth vs. George H. Phelps, pending in the Madison Circuit Court, and to be tried Monday May. 17th. 1913. (Regular Judge Benton disqualified by reason of relationship to the defendant.

4 00 O.K. The Governor this day granted a conditional reprieve of twelve months of the jail sentence of ten days imposed upon James Warren by Magistrate Emmet Taylor of Madison County in February 1913, for disturbing religious worship, the reprieve being conditioned as follows: the judgment shall not be enforced for a period of twelve months, should James Warren lead a law abiding life for that length of time. On the other hand should he violate the law, this reprieve or respite shall be immediately revoked upon due notice being given the Governor, and he shall then be compelled to serve the ten days in jail entered by the judgment.

May 20th. 1913.

The Governor this day pardoned six months of the twelve months jail sentence imposed upon Amos Carlisle at the November 1912, term of the Groves Circuit Court for the crime of petit larceny, and filed the following reasons: Amos Carlisle was convicted of petit larceny at the November term, 1912, of the Groves Circuit Court, and his punishment fixed at confinement in the county jail for a term of twelve months. He has now served six months of that sentence, and many of the best citizens are appealing to me for executive clemency in his behalf. Carlisle was indicted for the crime of house breaking, to wit: "the breaking of a smokehouse, and the stealing of meat."

Under the evidence of the case, the Circuit Judge states that he felt compelled to give an instruction for petit larceny, and the jury found him guilty on that charge, but not for housebreaking. Judge Bugg, who presided at the trial writes me as follows: "Carlisle was manifestly guilty of the charge, but a number of good citizens of Water Valley have interested themselves in his behalf, and are persuaded that he has repented and thoroughly reformed. One of the men interested is a pastor of the Methodist Church at Water Valley, where the offense was committed, is very much impressed with the reformation of this youth; in fact, so much so, that he has agreed, as soon as he can get out of this trouble, to take charge of him and educate him. I was so much impressed myself with the character of this petition, as well as the youth of the prisoner, that I make a request and recommendation for executive clemency for the first time in my ten years service on the bench."

Commonwealth's Attorney, R. L. Smith also presents an earnest appeal in behalf of Carlisle. He states: "The youth of the man, his repentance and his evident desire to lead a better life, has impelled me to write you a personal letter and ask that the executive clemency be shown this young man."

The petition submitted in behalf of Carlisle is also signed by the following ministers of the gospel: H. G. Ryan, R. W. Wood, J. J. Castleberry, W. T. Nunley, W. M. Wood, Henry W. Barbee and E. W. Nelson all of Groves County, by the Circuit Clerk, the Sheriff, the City Marshal of Mayfield and by many other representative citizens of the community.

Thus it will be seen that the Circuit Judge

who tried this young man, the Commonwealth Attorney, who prosecuted him, seven ministers of the Gospel, and many of the best citizens of the County, all of whom profess to be familiar with the case, have urged me to grant him a pardon. They express the belief that he has been sufficiently punished, and has fully repented and reformed. The character of these recommendations and the standing of those who submit them, have no doubt in my mind as to the merit of the petition, and I, therefore, concede to remit the remaining six months of the sentence.

The Governor this day rejected the petition for executive clemency of the behalf of Elmer Morris and William Morris convicted in the Jefferson Circuit Court for suffering a game of chance on their premises, and were fined three ($3.00) dollars each. His response to the petition is a letter directed to Mr. Walter C. Huffaker, Louisville, in substance as follows: "Yours of the nineteenth instant, enclosing a petition asking me to remit the State's portion of a fine imposed on Elmer Morris and William Wilson for six hundred dollars was duly received. The petition in this case shows gaming and the persons were fined the sum above named. My duty as Governor will not permit me to grant a pardon in this case at the present time, and I must, therefore, overrule the application for a pardon.

May. 21st. 1913.

The Governor this day restored all the rights of citizenship to Norbett Guffy, convicted in the Daviess Circuit Court at the August term 1906, of the crime of detaining a woman, etc., and sentenced to serve two years in the penitentiary, and files the following reasons: The petitioner served the full term in prison, and since his release about five years ago, his conduct has been good. Sheriff Winstead, County Attorney Finn, Police Judge Harkins, H. T. Ellis, A. B. McCarty, S. H. Williams, Floyd Lasswell, F. A. Roby, and other representative citizens of Daviess County, state that Guffy deserves to be restored to all rights of citizenship. I concede that this recommendation in this case is just and should be followed, and the petition therefore is granted.

The Governor this day restored all the rights of citizenship to Joe Howard, convicted at the October term 1910, of the Madison Circuit Court of False Swearing, and sentenced to one year in the penitentiary, and files the following reasons: "Joe Howard served the full term in prison and since his release nearly two years ago, has been leading a sober, industrious life. George B. Turner, former Mayor of Harlan, Ky, recommends his restoration and states that he is in every respect worthy of citizenship. I see no good reason why citizenship should be denied him, and the petition is therefore granted.

The Governor this day issued a death warrant against Tom Lawson to be executed Friday, June twentieth, 1913.

The Governor this day issued a death warrant against George May to be executed Friday, June twenty seventh, 1913

The Governor this day appointed and commissioned Samuel Miller, Police Judge of the town of Hellier, to fill the vacancy, caused by the removal of Elmer Alloway, from the town.

4.00 OK The Governor this day remitted the State's portion of the fine and the unserved part of the jail sentence imposed upon Elmer McCobe November 27, 1912, in which he was fined two Hundred Dollars and sentenced to serve two years in jail, for the offense of Assault and Battery, and filed the following reasons: "Elmer McCobe was tried in the Campbell Circuit Court November 27, 1913, upon an indictment charging him with the offense of Assault and Battery, and upon conviction, his punishment was fixed at a fine of two hundred dollars and two years imprisonment in the County jail.

Louis B. Tiemann a member of the Kentucky Legislature presented his petition in person, and strong urges executive clemency. Eight members of the jury that rendered the verdict of guilty join in the appeal; likewise many other good citizens of Campbell County. It is represented to me that McCobe has always borne a good reputation and that this is his first offense, that the punishment already inflicted is ample and fully serves the effect of his conviction; that his further confinement will work a great hardship on others who need his assistance.

After careful consideration of this case, and especially the strong recommendations for executive clemency, I conclude to remit both the State's portion of the fine of two hundred dollars and the unserved part of the jail sentence imposed by the judgment of conviction.

May 23rd. 1913.

8 00/O.K. The Governor this day issued his requisition on the Governor of Iowa for the rendition of Sherman Cook. indicted in Fulton County. for the Crime of Bigamy. and appointed Goalder Johnson. Agent to receive him.

The Governor this day restored to citizenship. Lafe Carmine. Convicted at the November term 1908 of the Fayette Circuit Court of the Crime of Voluntary manslaughter. and sentenced to Four years imprisonment in the Penitentiary. and filed the following reasons. "In this case it is represented to me that Lafe Carmine since his release from prison has endeavored to redeem himself in the opinion of all who know him. He has been constantly employed for upward of Four years. and proven a sober industrious law abiding man. Judge Frank Bullock. Cecil E. Cantrill. and William H. Warren assure me that he is worthy in every respect of citizenship. and after careful

consideration. I conclude that the petition is meritorous. and that Lafe Carmine should be restored to citizenship.

The Governor this day restored to citizenship Cornelius Patrick. convicted of the Crime of Grand Larceny. at the November term 1906. of the Knott Circuit Court. and sentenced to serve Four years in the penitentiary. and filed the following reasons." Cornelius Patrick was released from prison nearly Five years ago. and since that time he has conducted himself in a peaceable, law abiding manner. and upon representation of County Judge Napier. County Attorney Perkins. Sheriff Hays. County Clerk Amburgy. County Supt of Schools Johnson. and others that this is a meritorous case. I have concluded to restore Cornelius Patrick to all rights of citizenship.

The Governor this day restored to citizenship William Janes. Convicted of Grand Larceny at the January term 1908. of the Henderson Circuit Court. and sentenced to one year in the penitentiary. and filed the following reasons; William Janes. served a term of One year in the penitentiary less time allowed for good behavior. and since his release from prison upward of Four years ago. according to the representations of many good citizens of Henderson County. he has led an upright useful life. The Mayor of Henderson. the City Clerk. County Attorney and County Judge. and others join in the petition and state that Janes has shown he is worthy of citizenship. and as they have had an appurnity to observe his conduct. and now assure me that that he is a deserving citizen. I conclude that the petition should be granted.

4 00 The Governor this day remitted the fine sentence of ten days entered against George H. Skinner ~~at~~ in the Wheatcroft Police Court, on March 27." 1913. on the Charge of Carrying Concealed a deadly weapon. and wherein he was fined twenty five Dollars. and sentenced to seven days in the County Jail. and filed the following reasons. George H. Skinner was tried in the Wheatcroft Police Court March 27. 1913. on the Charge of Carrying Concealed a deadly weapon. and, upon Conviction. his punishment was fixed at a fine of twenty five Dollars and ten day imprisonment in the County Jail.

The Police Judge, A. B. Topp. who tried him, presents an earnest appeal for a remission of the fine sentence. and states. that from his knowledge of the Case and acquaintance with the character and habits of George Skinner. he believes executive clemency should be extended to him.

Many other good citizens of the Community join in the appeal. and represent that the Defendant has always been an honorable ~~and~~ upright boy. that this is the first time he has been in Court on any Charge; that he is only twenty years old. and has been and still is regarded as one of the best young men in the town.

After careful consideration of the petition in this Case, I conclude that the payment of the fine and costs is sufficient punishment. The recommendations are tend to show that the defendant is a young man of high character. and that his conviction herein will serve as a lesson to him and prevent any future violation of the law on his part. The fine sentence, therefore, will be remitted.

4 00 The Governor this day remitted the ten day fine sentence imposed upon Richard Thomas, in the Elizabethtown Police Court ~~on~~ during the month of April 1913. on the Charge of carrying concealed a deadly weapon. and filed the following reason: "During the month of April 1913. Richard Thomas was tried in the Elizabethtown Police Court. Charged with carrying concealed a deadly weapon. upon conviction he was fined twenty five Dollars and sentenced to ten days imprisonment in the County Jail. He has paid the fine and costs and now asks to be released of the fine sentence. It appears from the petition

that Thomas is a young man employed by the Electric Light Company of Elizabethtown. that one of his duties is to go over the city as soon as the lights are turned on at night and inspect the same and see if they are in proper condition. that he is compelled to walk down the railroad for a distance of one and three quarter miles to the powerhouse where he is employed for the remainder of the night. there are more or less tramps going up and down the railroad. and the petitioner stated that he carried the weapon solely for his protection against said tramps.

C. E. Morgan City Attorney. Fletcher Irwin the Police Judge before whom he was tried, T. M. Morgan. the City Marshall, and F. P. Stucker. the mayor of Elizabethtown. join in the plea for Executive Clemency and represent that there is no record of Thomas ever having been charged with any offense before the one herein. and that he is an inoffensive industrious young man.

The above statement of the Case and the strong recommendations in behalf of Thomas. in my opinion. present sufficient reason for the exercise of Executive Clemency. and I conclude therefore. to remit that portion of the judgment which carried a jail sentence. The conviction herein will no doubt serve as a lesson to the defendant against any future violation of the law.

4 00 The Governor this day remitted the jail sentence of forty days imposed upon Egart Ashcroft at the ~~[illegible]~~ term 1912. of the Estill Circuit Court on the Charge of selling whiskey. and filed the following reasons: At the November term 1912. of the Estill Circuit Court, Egart Ashcroft was convicted in four Cases for the illegal sale of whiskey. In one Case he was fined One Hundred Dollars. and sentenced to forty days in the County Jail. and in the other three Cases he was fined Sixty Dollars each. It appears from the petition that by reason of these judgments.

and other judgments which were entered against Ashcraft in the Lee Circuit Court. He has been confined in jail for upward of a year. The fines imposed in the Estill Circuit Court will be paid. and I am asked to remit the jail sentence of forty days.

The petition urging executive clemency in behalf of Ashcraft is signed by the following officers of Estill County. The County Judge. County Attorney. Circuit Court Clerk. County Clerk. Sheriff Jailor and the County Treasurer, also W. P. Williams. James A. Wallace. Reuben Todd and other good citizens of the community. The substance of their recommendations is that Ashcraft has been amply punished for the offence of which he was convicted and is now in a declining state of health. They also express the belief that he will never again be guilty of any violation of the law.

Clarence Miller the County Attorney. states: "In view of the fact that he is in declining health and the further fact that it might endanger his life to remain long in jail. and his sincere promise not to engage in a similar offense. I recommend that you show him executive clemency."

Upon careful consideration of this case I conclude that the recommendations of the various county officers and other good citizens of the community represents the true merit of the appeal.

They are in a position to ascertain if the defendant has repented and reformed. and upon their assurance that the punishment inflicted upon Ashcraft has served the object of his conviction. I have decided to ~~the~~ remit the jail sentence of Forty Days entered against him.

Hugh Tuttle & Oliver Alexander and Commonwealth vs. John M. Webb. (Regular Judge Riddell disqualified by reason of having been employed as Counsel in the cases prior to his appointment as Circuit Judge.)

Acting Governor McDermott this day granted a Conditional pardon to J. H. Nance. Convicted of the crime of Perjury at the January term 1913. of the Taylor Circuit Court. And sentenced to imprisonment in the Penitentiary. from One to Five years. and filed the following reasons in support of his action:

"On March 4. 1913. I refused the application of J. H. Nance for a pardon. because he was then under an indictment for arson. having been charged with the offense of burning his home. Since then he has been acquitted by a jury on that charge. A pardon is now asked for him for the offense of false swearing in a statement to the Fire Marshall of the State as to the burning of his home. for which offense he was Convicted at the January term 1913.

The petition for his pardon is signed by the

Clerk of the County Court and Circuit Court. the County Surveyor. the Representative of the County in the Legislature. by the jury that tried the case. by the County Judge. a Justice of the Peace. the Superintendent of County Schools. the Assistant Postmaster of Campbellsville. and by many lawyers. merchants and bankers of the County. he was a Confederate soldier.

The Commonwealth's Attorney of the District, on May. 20. 1913. withdrew his objections to the granting of the pardon. stating. "that all the Taylor County officials and a large number of the best citizens of Campbellsville and Taylor County signed said petition. that Nance's wife. sons and daughters are well regarded by the people who know them. and that Nance is now old and has promised to commit no further violation of the law. The Attorney General of the State has indicated to me that he thinks the case a proper one for a pardon.

In view of all these circumstances and the acquittal of Nance of the charge of setting fire to his house, I have concluded to grant him a pardon conditioned upon his future good conduct. This pardon is granted on the condition that. if he at any time hereafter violates any law of the State. this pardon shall be void and of no effect and that the judgment against him shall be enforced to the same extent as if this conditional pardon had not been granted. and the proper officers of the state shall see that the former sentence of conviction is duly enforced. and this pardon shall not take effect until he has in writing accepted its terms and conditions.

Acting Governor Mc Dermott this day offered a reward of One Hundred Dollars for the apprehension and conviction of John Murphy and his delivery to the Jailor of Pendleton County, said Murphy being charged in said County with the crime of murder.

4 00 01 Acting Governor Mc Dermott this day remitted the unserved portion of the twelve months jail sentence imposed upon James DeVare at the November term 1912 of the Jefferson Circuit for robbery and filed the following reasons: In this case it appears that the petitioner is a young man twenty four years of age and has a young wife whose baby was born while he was in jail; that he has always borne a good reputation and has been guilty of no crime before July, 1912, when the act for which he was convicted was committed; that his wife was raised in an Orphan Asylum and is a woman of good character; that while the husband stole certain household articles from a neighbors house, he and his wife were without food and she was sick; that he, when detected, confessed to taking the household articles and was given a sentence of twelve months in jail in November, 1912; that he has now been in jail for about six months; that his wife has no means of support and that the offense was committed under stress of want.

The persons from whom the property was taken and to whom it was restored, and the Commonwealths attorney, have requested that the petitioner be granted a pardon, and the petition of the young wife presents a pitiful statement of her condition and misfortune, and considering the punishment already inflicted, under these circumstances, it seems proper to grant the petition, both for the benefit of the parties and of the State.

4 00 01 Acting Governor Mc Dermott this day remitted the State's portion of the fines in six cases, amounting to Four Hundred and twenty five dollars imposed upon Mary Lovely at the February, June and September terms 1912 of the Magoffin Circuit Court, of the Charge of unlawfully selling whiskey; and filed the following reasons: It appears from the petition that this woman is very old; that her husband is seventy five years of age and decrepit; that he has children who are sick and unable to support themselves, and that the mother is poor and unsuccessful; that she has been in jail for about two months, and that she has not sold any whiskey or violated any law for the past two years. A remission of her fines is recommended by the Circuit Judge who tried her, by the Jailer, by the Clerk of the Circuit Court, by the Commonwealths Attorney, by the County Attorney, and by the Postmaster of Salyersville. The Circuit Judge says that several of her children are in great need of her at the present time.

Under all these circumstances I feel that the law has been sufficiently vindicated and that the State's portion of the fines should be remitted, the Court officials having also released their part.

County Judge Salyers and County Attorney Prater have issued their commission in the fine and recommend that executive clemency be extended to Fletcher. The Circuit Clerk. Sheriff. Deputy Sheriff. United States Marshall A. B. Patrick.

D. G. Sublett. Jos. G. Arnett. M. F. Patrick. H. G. Gardner. and other good citizens of Mcdoffin County join in the recommendation. and unite in the following statement in behalf of Fletcher:

"We deem it our duty to say that Mr. Fletcher is a young man who has from his childhood been a law-abiding boy in every respect. that his life has been one of continuous hardship and struggle: that since he was fourteen years of age there has rested upon his shoulders the support of his father and mother. and that he has jealously cared for them and proven a dutiful son and excellent citizen."

Under all the circumstances of the case. and especially in view of the good reputation he has always borne as attested by prominent. representative citizens of the community. I have concluded to remit the State's portion of the Ninety Dollars. the unpaid part of the fine imposed by the Judgment herein.

4.00 P.M. The Governor this day remitted the State's portion of the fines of Five Hundred and fifty dollars. and twenty days imprisonment imposed upon Clint Fallins at the October term 1911. of the Rowan Circuit Court. on the charge of selling whisky in local option territory. and filed the following reasons: "At the October term 1911. of the Rowan Circuit Court. several judgments were entered against Clint Fallins upon the charge of selling liquor in local option territory. The fines imposed. amount in the aggregate. to five hundred and fifty dollars. and he was also sentenced to twenty days imprisonment in the county jail. It appears from the petition that he failed to pays the fines and was placed in jail to work out the same at the rate of One Dollar per day. He has now served upward of a year. All of the Court officials

entitled to a percent in these fines have relinquished their claims. and strongly recommend executive clemency in behalf of Fallins. Circuit Judge. Allie W. Young writes as follows. "I would be glad if you would remit the State's part of his fines. His stay in jail has served the purpose. and longer incarceration would do no good. The Commonwealth's Attorney. W. B. White. the County Attorney. E. Hoppe. the Circuit Clerk T. B. Tippett. the County Judge J. W. Riley. the County Clerk W. L. Day. the Representative in the Legislature from Rowan County, B. S. Wilson. and many of the best citizens of the community join in the petition submitted in behalf of Fallins. They. in substance. express the belief that the Defendant has been sufficiently punished; that the object of his conviction has been fully served. and he will not again be guilty of a violation of the law. Under these circumstances. it seems to me that the Defendant is a proper subject for executive clemency. I am strengthened in this conclusion by the assurance of those who sign the petition. that such action will meet the approval of the good people of the community. I. therefore. remit the State's part of the fines and the twenty days in jail imposed by the judgment of conviction.

The Governor this day pardoned. out of the Penitentiary. L. Wakefield Gross. convicted at the October term 1911. of the Spencer Circuit Court of the Crime of Forgery. and sentenced to Confinement in the Penitentiary from two to ten years. and filed the following reasons:

J. H. Glass was tried at the October, 1911, of the Spencer Circuit Court upon an indictment charging him with the crime of forgery, and, upon conviction, he was sentenced to the Penitentiary for an indeterminate term of from two to ten years. He was received at the Penitentiary October 28, 1911, and, therefore, has served upward of a year and a half. A strong petition for a pardon is submitted in his behalf, and it is earnestly insisted that he has been sufficiently punished for the offense of which he was convicted.

It appears that the facts of this case, as presented before the jury, were to the effect that Glass had, without the consent of one Nim Snyder, signed his name to a note for $200.00 payable to the Bank of Taylorsville. Snyder testified that he did not authorize Glass to sign his name to the note, although he admitted to sign his name, and upon giving security for him a few years previous to that. It was also shown that Glass did not obtain any money on this note, but used it to cancel another note in the Bank of Taylorsville. The defendant maintained that he was duly authorized to sign Snyder's name to the note as surety.

The petition is signed by Circuit Judge Marshall, Commonwealth's Attorney Sanford, Circuit Clerk Wright, County Judge Gilbert, County Clerk Block, Master Commissioner Yerkley, J. T. Goodman, F. E. Ballard and E. B. Beard of Shelby County, and County Judge Baird, County Clerk Shindler, Sheriff Buckner, James Gatton, of Spencer County, besides many other good citizens of both counties.

It appears that the defendant is of good family and that he has never before been guilty of any offense against the law. In view of these facts and further that he has served more than a year and a half in prison, I conclude that

he has been amply punished and should be pardoned.

The Governor this day commuted the sentence of twenty years imprisonment in the penitentiary, imposed upon James Lyon, at the September term 1905 of the Logan Circuit Court, for the crime of rape, to ten years in prison. It appears that he with three other men were implicated; that he was many yards distant at the time of the assault and did not touch the girl. J. L. Crowder Jr. who prosecuted the defendant joins in a plea for executive clemency, expressing the the opinion that the sentence was excessive. It also appears that Lyon is in declining health.

The Governor this day commuted the from death to life imprisonment the sentence imposed upon Owen Bowling at the January term, 1912, of the Breathitt Circuit Court, for the crime of wilful murder. The petition for executive clemency is signed by Commonwealth's Attorney T. C. Johnson, County Attorney W. H. Blanton, and by eleven members of the jury that rendered the verdict of guilty. It appears that there was considerable prejudice at the time the indictment was returned, from the statement of the Commonwealth's Attorney, and he is confident that if the defendant had been tried in any other County he would not have been convicted for any grade

offense than manslaughter, that the evidence, showed before he ~~was conflicting as to whether~~ he fired the shot ~~that~~ at the young negro, which killed the young negro's father, Sam Crawford. he was struck in the mouth with a rock thrown by the young negro and knocked down, and that as he raised up, while in a dazed, staggering condition, he fired the shot at the young negro, which killed the father, Sam Crawford.

8 00/01 The Governor this day issued his requisition on the Governor of Illinois for the rendition of John Murphy Charged by affadavit and warrant with the Crime of murder, in the County of Pendleton, and appointed H. L. Cummins, Agent to receive him.

The Governor this day appointed the following named persons as delegates to represent the State of Kentucky at the Fourth Annual Conference of the American Association of Officials of Charity and Correction, to be held in Springfield Illinois. June 24 to 26. 1913, Viz; Daniel E. O. Sullivan, Thomas D. Osborne, John R. Pflanz, of Louisville. Milton F. Conley, Louisa, Henry R. Lawrence, Cadiz, A. J. G. Wells, Frankfort, M. B. Lucas, Frankfort, John B. Chilton, Eddyville, and C. W. Milliken, Greendale.

The Governor this day pardoned out of the penitentiary, John F. Thompson, Convicted of False swearing at the March Term 1913, of the Menifee Circuit Court, and sentenced to serve from one to five years in the penitentiary, and filed the following reasons: namely:- John F. Thompson was tried at the March term 1913, of the Menifee Circuit Court under an indictment charging him with the Crime of false swearing, and upon Conviction, his punishment was fixed at Confinement in the penitentiary for a term of from one to five years.

I am now asked to grant him a full and free pardon, and in support of that plea, the following letter signed by the Judge who tried him and the Commonwealth's Attorney who prosecuted him, is filed in the case.

"While I have no doubt of the defendant's guilt, it occurred upon the trial of a charge of carrying concealed a deadly weapon, and it may have been that the defendant believed he was telling the truth about it. He has always been a very good citizen, belongs to a good family, and he was the most penitent man I ever sentenced to the penitentiary. I believe the lesson he has received will do him as much good as the ordinary prisoner would receive by being kept there for ten years. The object of the law, after all, is merely to correct the evil, and I am satisfied, so far as John Thompson is concerned, he will never be guilty of any offense hereafter. All of the best citizens of that place, the place where he lives, testify to his good character. The banker there, all the leading merchants, in fact, all of the best citizens of that community unite in a request that I write you this letter, and I am satisfied you will make no mistake in granting this executive clemency."

In addition to the above, County Attorney T. L. Caudill, and eleven members of the jury that rendered the verdict of guilty also recommend executive clemency. These recommendations, presented by practically all who participated in the trial and conviction of the defendant, accompanied by a petition for executive clemency, signed by the best element of the community, convince me that the ends of justice have been fully met, and that John T. Thompson should now be pardoned.

4 00 O.K. The Governor this day pardoned the ten days jail sentence imposed upon George W. Police Judge of Olive Hill. Kentucky. was Convicted in a Magistrates Court and fined the sum of twenty five dollars and sentenced to ten days in the Carter County Jail. on the Charge of Carrying Concealed deadly weapons. Scores of the best Citizens of Carter County. and the County officers. and the Mayor of Olive Hill. State Senator Coburn. and Congressman W. J. Fields. have asked that the jail sentence be pardoned. The defendant has to do with the rangheat element of his town. and the day upon which he Carried this weapon was Circus day in Olive Hill. and the ranghest element was on the Street that day. He thought that his life was in danger. and in view of the fact that he has paid the fine and Costs. and the fact that the sentiment of the Community is in favor of a pardon. I hereby remit the jail sentence imposed by said judge

4 00/01 The Governor this remitted the ten days jail sentence imposed upon Marion Williams, at the June term 1913, of the Wayne Circuit Court, on the charge of carrying concealed a deadly weapon, and filed the following reasons: On June 2, 1913, Marion Williams was convicted in the Wayne Circuit Court on the charge of carrying concealed a deadly weapon, and his punishment was fixed at a fine of twenty five dollars, and ten days imprisonment in the County jail.

Williams claims that he did not have the weapon at the time and place charged in the indictment, but that he had had some trouble with the victim and he was satisfied they would swear that he did have the weapon, and he, therefore, entered a plea of guilty. The fine and costs have been paid, and he now asks to be relieved of the jail sentence.

It is represented to me that the defendant has never before been brought in Court on any charge, and that he is a peaceable, law-abiding citizen. Under these circumstances, I conclude that the petition meritorious, and that the jail penalty imposed by the judgment of conviction should be remitted.

4 00/01 The Governor this day remitted the ten days jail sentence imposed upon Cicero Baker, in the Wayne Circuit Court, in the year 1910, in two cases, on the charge of carrying concealed a deadly weapon, and filed the following reasons: During the year 1910, ~~two~~ two judgments of conviction on the charge of carrying concealed a deadly weapon were entered against Cicero Baker, in the Wayne Circuit Court, and in each case he was fined twenty five dollars and sentenced to ten days imprisonment in the County jail. The fines and costs have been paid and I am asked to remit the jail sentences.

It appears from the representation of many of the County officers of Wayne County that Baker is a man of good family and not a law breaker, but on the contrary an industrious, law-abiding citizen. More than three years have elapsed since the convictions herein, and upon the recommendation of the County Judge, Sheriff, Circuit Clerk, County Clerk, and other good citizens of the community, I have concluded to remit the jail sentences of ten days imposed by the judgments of conviction in the two cases.

4 00/01 The Governor this day remitted the ten days jail sentence imposed upon Charles Peercy, on the 17. day of January 1910, of the Wayne Circuit Court, on the charge of carrying concealed a deadly weapon, and filed the following reasons: Charles Peercy was convicted in the Wayne Circuit Court, January 17. 1910, of carrying concealed a deadly weapon, and his punishment fixed at a fine of twenty five dollars and ten days imprisonment in the County jail.

The fine has been paid and I am asked to remit the jail sentence. In support of this plea for executive clemency, the following statement in behalf of Peercy is presented by

W. R. Cress. Sheriff G. T. Ramsey. Circuit Clerk. S. A. Rankin. County Judge. Isaac Walker. John R. Wilhite and S. C. Dobbs: "upon the advice of his attorney. Peery confessed judgment and paid off the fine with the understanding with the Commonwealth's Attorney that no copies would be issued upon the imprisonment. More than three years have elapsed. The young man belongs to a good family. is a good citizen, and we recommend that you pardon him. In view of the good reputation borne by the defendant. and the fact that this is the only charge ever brought against him. I have concluded that the jail sentence imposed by the judgment of conviction should be remitted.

4 00/01 The Governor this day remitted the ten days jail sentence imposed upon John White at the June term 1913. of the Rowan Circuit Court. on the charge of carrying concealed a deadly weapon. and filed the following reasons:- "At the June term 1913. of the Rowan Circuit Court. John White was convicted of carrying concealed a deadly weapon. and his punishment fixed at a fine of twenty five dollars and ten days imprisonment in the County jail. He has paid the fine and seeks to be relieved of the jail sentence.

It appears that the defendant is a man forty years old. of splendid reputation. and he was never indicted before and never in jail for any offense. A strong appeal in his behalf is presented by County Attorney E. Hogg. County Judge J. W. Riley. Commonwealth's Attorney W. B. White. and Circuit Judge Allen W. Young. in whose Court he was tried. The recommendation of these men leaves no doubt in my mind as to the justice of the defendant's petition for executive clemency. and I have concluded. therefore. to remit that part of the judgment which imposed a jail sentence.

4 00 The Governor this day appointed and Commissioned the following persons as Notaries Public for the County set appasite:-

Vernon Sullinger. Webster.
Wm Cumagin . Jackson

The Governor this day restored to citizenship Horace Redden, convicted at the March Term 1910. of the Graves Circuit Court, of the Crime of manslaughter and sentenced to serve three years and six months in the Penitentiary, and filed the following reasons: The petitioner has served the full term in prison and it is represented to me by circuit Court Clerk W. S. Cook, S. G. Norman, L. B. Anderson, J. R. Thomas, T. L. Stovall, Oscar Elmore and other good citizens of the community that he is an honorable young man. They express the belief that he will prove a good useful citizen. Under these circumstances I conclude that the petition is meritorious and should be granted.

The Governor this day granted a free and full pardon to Thomas F. Butler, convicted at the January term 1913. of the Fayette Circuit Court of the crime of Arson, and sentenced to a term in the penitentiary of from one to seven years, and filed the following reasons: Several months ago Thomas F. Butler, a student in the State University was indicted in the Fayette Circuit Court, for the crime of burning a room in the Mechanical Hall of the University. upon the trial in January 1913, he was convicted and sentenced to the penitentiary for a term of from one to seven years. He has now served about four months of this sentence and I am now urged to grant him a free and free pardon.

I have carefully examined the petition submitted in his behalf and find the petition submitted in his behalf and find that executive clemency is recommended by the circuit Judge who presided at the trial, by the Commonwealth's Attorney, and by the twelve jurors who tried the defendant. The President of the University where the damage was done presents a most earnest appeal for the prisoner and I quote from his letter as follows:

"I think I am thoroughly familiar with the facts of the case and I believe sincerely that Butler was only technically guilty of having burned the office. He was the dupe of another and stronger spirit. When he went into the office it was with the view of committing a boyish prank. To use his own words he intended to "wake it up". Afterwards the stronger spirit concluded to burn the office and this Butler only acquiesced in, but in no wise participated in. Of course, so far as the law is concerned he is just as guilty as the other man. But morally he is not guilty at all. I say this in all frankness to you, believing that you will only do justice in pardoning the petitioner."

A Committee from the Lexington Chapter, Daughters of the Confederacy, came to Frankfort to present to me, in person, their appeal for Butler's pardon. This is also true of the State Fire Marshall C. C. Bascomb, Sheriff Furnish of Harrison County and other officers of the community, who profess to have known Butler for many years and who state they are convinced that under all the circumstances, he has been amply punished.

The various recommendations for executive clemency presented herein are in substance as follows: That Butler was led into the action, which resulted in the damage to Mechanical Hall, by another who had considerable influence over him; that he had no criminal intent and was not connected with the affair for any criminal purpose; that he took part in it rather as a boyish prank not considering the seriousness of the offense and not believing that the damage would be great but more for the purpose of creating excitement. The Commonwealth's Attorney states that "he (Butler) is, in my judgment, not an evil disposed or malicious person, and not an intentional criminal"

further: "I believe the punishment he has already suffered has taught him a lesson and that he can still make a useful and good citizen and will do so. and I therefore recommend to you the exercise of executive clemency in his behalf."
The above statement of the case as embodied in the various recommendations submitted in behalf of Butler seems to me to present sufficient reasons for the interposition of executive clemency. No protest of any kind has been filed on the contrary I am assured that a pardon of the defendant at this time will meet the approval of all good citizens who are familiar with the facts. and under these circumstances I conclude that the petition is meritorious and should be granted.
