We the undersigned petition your excellency to release John Hall from Confinement from the Jail & Penitentiary of this Commonwealth. The reasons that influence us to petition your excellency is that Hall is a decent honest & sober young man of respectable Connection, and Benjamin Stokes who was killed is to say greatly the aggressor in the affare between them, altho the Crime said Hall was guilty of amounted to Manslaughter. The said Stokes greatly provoked the Combat —

This petition has presented to me — I know nothing of the facts in relation to the offence for which Hall was convicted — but can say that he is very respectably connected, & that it would be very gratifying to a large & respectable part of the citizens of this county to have him released —
