To His Excellency Joseph Desha
Governor of the Commonwealth
of Kentucky

The Petition of the subscriber respectfully
represents that he is a Citizen Keeper
residing in the County of Shelby that
at the June Term 1827 he was presented
for retailing spirituous liquors with-
-out licence he having failed to
procure an Authority from the
County Court as required by act of
Assembly, upon the presentment a
trial & Judgment was had & your
petitioner fined the sum of ten
Dollars — your Petitioner will fur-
-ther respectfully represent that
some short time previous to the
Committal of the alledged offence he
made application to the County Court
for permission to keep a Tavern
there not being a majority of Justices
present the motion was Continued
Owing to the ill health of your
petitioner the subject was not
renewed until some time after-

the punishment was made which was
the just & appropriate your petitioner
could submit. He states that at the
time of the alledged offence he was
selling liquors & keeping a tavern
under the impression that his appli-
-cation to the County Court though
continued would authorize it.

He further respectfully represents
that his desire has always been
to keep an orderly & respectable
house of entertainment & to avoid
every violation of law to which
places of public resort are
made liable. Conceiving the judge-
-ment oppressive he prays your
Excellency will remit the fine to
which he was subjected by the judgment
of the Court & your petitioner as in
duty bound will &c

Henry H. Jones

We Having been sometime acquainted with the petitioner & from a knowledge of his orderly conduct & the respectability of his public bondsmen do accordingly join in a petition to your Excellency to remit the fine imposed against him
