His Excellency Thomas Metcalfe Esq.r
Governor of Kentucky
Frankfort

Columbus Hickman County Kentucky March 8th 1831

Dear Sir

There are two Vacancies in the Trustees of this Town occasioned by the deaths of Hugh Nelson and David Lellen Ree. While I was in Frankfort Last Winter Judge Underwood asked me if I thought that my Son John E Taylor who owns property and lives in the town would serve as a Trustee I told him I had once named it to him and he made some objections he requested me to name it to him again when I came home & if he would consent he would join me in trying to get him appointed, and that we would wait a while in filling the other Vacancy he has agreed to serve if appointed I shall write Mr Underwood to that effect and I Know he will recommend him as he is his choice having named him to me himself and altho his Father I have no hesitation in saying he is the most proper person to be appointed he leaves here tomorrow for Frankfort and will be there in a few days, and will leave there before Judge Underwoods letter can get there after hearing from me if you think proper to Commission him while in Frankfort as there is the improvement of a Street to let out soon from the pinions of the ferry I want another trustee to act with and I will pledge you my word it will meet the wishes of Judge Underwood as before Stated his Character & Qualifications are well Known by most of the Citizens of Frankfort and he will give general satisfaction Very Respectfully
