Petitions

1833

Dec. 26. 1833

To his Excellency John Brathett

We would respectfully represent to your Excellency that Morton M. Mayle was fined sixty Dollars at the last Sept. Term of the Madison Circuit Court for selling spirituous Liquors without licence. Whilst we would not wish that there was improper in W. Mayles & in violation of the law, yet we would venture to express a hope that as he is a poor man, with a large family, and struggling with embarrassments, your Excellency will exercise the power, vested in you, by remitting the fine. We hope M. Mayle thus admonished will not in future violate the law. We strongly pray your Excellency to pardon his present offence by relieving him & his family from the operation of the judgment.

With Great respect & consideration
your Excellency's fellow Citizens
