To his Excellency John Buckner Governor of the Commonwealth of Kentucky

Your Petitioners Composing the Jury Impannelled and Sworn to this Court of the Commonwealth vs Jonathan Parker for Felony after having paid strict attention to all the evidence produced in this case are decidedly of the opinion that he ought to be punished for the violation of the Laws of this land but at the same time that and as we feel bound by our oath and by the Laws of our Land to find him guilty and therefore Sentence that he Shall be confined in the Jail and Penitentiary House of this Commonwealth for Four Years agreeably to the Instruction of the Court And after we have taken into Consideration of the matter we think proper to petition Your Excellency for a reprieve of three Years. As we have taken into Consideration the Inclemency of the weather and also the disadvantage the Young man Labored under in being confined in Jail and having no Friends or relation to Support his Case and not being able to procure Counsel to Defend his Case. We do Sincerely that he Should only be confined for the Term of One Year only We therefore Submit the Case to Your Excellency and hope that You will reflect upon the matter and decide accordingly
