Robt Allmutts

Petition

Recvd 5th August 1833

To his Excellency John Breathitt
Governor of the Commonwealth
of Kentucky

Your petitioner Robert
Allmutt would respectfully shew
that he was Commissioned a
Capt in the 100th Regiment of
of Kentucky Militia (6th Brigade)
on the 9th day of June 1832 — That
on the 23rd Inst and prior he
qualified to said Commission and
procuded to act under it. —

He would further shew
that at the Court of appointment held
for said Regiment during the fall
of 1832 a fine of $10. — was assessed
against him for an alleged
failure to return to said Court
a list of delinquents in his
Company — Your petitioner would
further state that he is not
only quite a young Man but at
that time exceedingly young in
a knowledge of the duties of his
said office and that in truth
and in fact he did not know
that it was his duty to furnish
to said Court such list of
delinquents — Your petitioner

would further state that he has but little learning is the owner of no Military Books where his duty might be learned nor of law Books of any kind nor is he in any Manner accustomed to legal investigations either Civil or Military

He further begs leave to state that he is a very poor man with a family to support and sundry pecuniary embarrassments to encounter, which, these hard times it is difficult to extricate himself from - that he has no mode of gaining money but by hard and ordinary day labor and many a drop of sweat he will have to expend before he shall have earned a sum sufficient to discharge said fine the payment of which will be exceedingly oppressive to your Petitioner -

Your petitioner further states that though he has but little learning and is withall quite poor (for which he is truly and heartily sorry) he hopes hereafter to learn and perform his duty and he promises to do so

He therefore prays your Excellency to remit said fine and to relieve

time from the payment thereof or certainly some of the very little property which he has yet left will be sacrificed by the collecting officer before he will have the time or be able to procure it by his only mode that of ordinary hard labor

Your petitioner humbly hopes that he may not have made the foregoing narrative and prayer in vain
