Augusta. Dec. 6th 1833.

Sir,

I am a fraid that you will become waried of hearing from us on the subject of ~~a~~ Justice. But the person who shall be Com=
=missioned a Justice of the peace in our town is a matter of some importance to the citizens thereof. Wherefore I am compilled by a sense of duty which I owe them, on this subject, to write you again, and give you some further inform=
=ation, which will enable the Gov.r to Judge correctly between the two men now before him for the Commission of Justice of the peace. You can have but a faint idea of the excite=
=ment this matter has already created among us in town. If this was left to people of the County Capt. Samuel Keene would get at least three fourths of the legal votes, and our reason is, that he is well known through out the county and M.r Swain is not known beyond the town boundry, except by a few.
The great majority of the citizens of the county, are well acquainted with Keene ~~and~~ a man, and they know him to be well qualified to discharge the duties of the office, and therefore they want him to have the Commission and not for this reason alone, but, the only objection raised by the few, here in power, is, that Capt. Keene is "a Jackson man", as the saying is. I am opposed to carrying this matter to such extream lengths, as our honorable County Court really do, and I hope the Gov.r will put a check to their headway, and obey the voice of the people who are directly concerned.
The excitement here is so very great, that friends, (a few) will scarcely speake a pleasent word to each other on any subject.

1-364

To enable you to judge fairly between the two; I will here give you the following facts which you may rely upon as certain.

There are about 80 legal voters in our town. of this number Mr. Rucker & myself gave you the names of 50 by petition for S. Keene. which leave a ballance ~~of~~ 30 behind: & of this number I will give you their names, so as to enable the Gov.r to tell all the spurious & illegal ~~petit~~ names to the remonstrance in favor of B. McElvain. to wit.

John Mears	1	Martin Marshall	1
Thos. Cleary	2	W. C. Marshall	2
William Cleary	3	Geo. Donithan	3
George W. Mackie	4	W. S. McKibbin	4
~~Robt. Lowry~~	5	Jos. S. McKibbin	5
John Hill	6	Thos. Myers,	6
Sam.l Ways.	7	James Fleming	7
Wm. Ways.	8	Francis Mills.	8
Jos. S. Tomlinson	9	J. J. Bradford	9
Henry Bascum	10	John E. McCormick	10
B. H. McCown	11		
J. H. Fielding	12		
John Payne	13		
James Baynum	14		
S. G. Shropshire	15		
William Armstrong.	16		
Jos. Schoolfield.	17		
Abner Holton.	18		
J. F. Tomlinson,	19		
Robert Patterson.	20.		
Thos. Ingles.			

These are the 20 who are Neutral, & is understood so to be.

The above 10. are the friends of B. McElvain, and are all that I know or believe who are qualified voters in said town, except the 20 persons on the left hand side of this page who are neutrals, and friends to both candidates, with the exception also of the 50 petitioners for S. Keene. Therefore all other names, than what is herein given, and those on the petition for S. Keene

may be safely set down as illegal, or more properly speaking, they ought not to be counted as they are boys under age, or the persons residing in the country, all of whom therefore ought to be rejected, as we refused to receive the signature of any person residing in the country, or those under age in town. Because it would have swelled our number so large, that it would have been troublesome and altogether useless. We only received those who are within the town Boundary, that are directly interested in the appointment to be made, and whom all parties are best known. There is nothing that you or the Govr. could do for your friends in this county, which would be more gratifying to their feelings at present, than giving the Commission to Saml. Keene.

If there is any man in our county who is entitled to the office on the score of services rendered to his political friends, I do without the least fear of contradiction, say, that Capt. Saml. Keene is that very man. He has done a great deal for his party, and if any thing is due to a man on that score, it certainly is due to him. The Clay Men here (except the hardened few) will, I have no doubt acknowledge to the truth, of the foregoing facts. The Govr. has nothing to lose (by Commissioning Keene) in our county, but every thing to gain, should there be a change of things at all.

Yours. In haste.

Buckner S. Morris.
