Wm L Lewis's
Petition
Memorial —

Remitted pro
January Ses 1834

To his Excellency John Breathitt
Governor of the Commonwealth of
Ky. The memorial of William Lewis
of Hancock County Ky. the undersigned
would respectfully state to your Excellency
that he is the owner and has possession
of a 1000 Acres of Land in Ohio County
on the waters of Panther creek, which
was conveyed by Ferdinand Lewis (the
patentee of the original survey of 10.000 acres)
to Samuel Lewis by him to Lawrence
Lewis and by him to Joseph Lewis
which deeds are recorded in the Court of
Appeals, The undersigned holds the
land by Executory contract from his
brother Joseph Lewis of London County Va
Your memorialist would further
state that the said Joseph Lewis has
always resided in Va and from
the neglect of his agents in this
County several parcels of the said 1000
Acres of Land have been sold for
the taxes and in 1823. the balance of
191 Acres was forfeited to the State
of Kentucky for the non payment of
the tax for 1820. 1821 & 1822. and which
was not redeemed. All of which
appears by the certificate of the Auditor
of Publick Accounts here referred to
Your memorialist further states
that he is now ready and willing
to pay the taxes on said 191 Acres

prone 1820. up to the present time with
such interest as the laws of his
Country demand. But the time having
elapsed for the Redemption of the said
land. he is compelled to ask the
interposition of your Excellency
to remit the forfeiture upon said
191 acres. He further states that
there is no conflicting claim upon
the 1000 acres or any part thereof
as he believes, there is no one living
on it except two families who are
his tenants. He mentions this fact
to show your Excellency that no
individual injury can result from
a remission of the forfeiture upon
the 191 acres aforesaid. And he believes
the Commonwealth should not
hold on to an individuals land
which has been forfeited by the neglect
of the agent of the owner at the time
when the present owner holding under
him & under the same title and
the only title upon the land. is willing
and now offers to make atonement
for the non compliance of the laws
by paying the last farthing, He therefore
prays your Excellency will remit
the forfeiture and restore him
his rights. And in duty bound
will ever pray &c

Hardinsburg Ky Decr 20. 1833.

To his Excellency Jno Breathitt Governor

I have examined Mr Jno L Lewis papers and have no doubt the foregoing memorial contains the truth He has in his possession the contract or obligation upon his brother Joseph Lewis for the 1000 acres of Land, but it is a matter of no consequence whether the forfeiture on the 191 acres is remitted in his name or in the name of Joseph Lewis. I hope your Excellency will remit the forfeiture as I conceive it will injure no one and may benefit Mr Lewis

Very Respectfully
