Learning that per possibility Judge Marshall of the city of Louisville may resign the judicial station he now holds- we take pleasure, in the event of the forgoing contingency, to recommend to his Excellency Gov. Letcher- our old friend & acquaintance Thomas M. Smith Esqr. as a suitable individual to fill the anticipated vacancy- We further state that we have known Mr. Smith for many years, that he has been a gentleman of uniform correct habits- & of reputable character in his profession- & with all he has ever been a staunch & efficient whig- his appointment, we doubt not, would give satisfaction- highly, inspiring a confidence to a liberal & kind hearted Gentleman in declining years- with a very interesting & dependent family-

Dear Sir

Hearing that there is a probability of the Judge of the Circuit Court of Louisville resigning his Office I take this occasion to say to you that Thos M. Smith who is now a resident of this City is in my opinion worthy of that responsible Office I have known Mr Smith from his boyhood & I should like very much to see him in that Office I believe it to be the Opinion of the Lawyers of Logan where Mr Smith was raised that he is a first rate Judge of Law

In haste Your friend
