To his Excellency.

The Governor of Kentucky?

Perceiving that the county court of M'Cracken county, have recommended to your Excellency, Richard D Gholson and Pennuel Billington, as fit and proper persons to fill the office of justice of the peace, I assume the liberty to say that the appointment of Mr Billington would give entire satisfaction to the people generally, as he is highly respectable and of good moral caractor, the case is certainly different with Mr Gholson if common report be true.

With High Respect &
