Dear Sir

I have just rec'd from Colo Edmund H. Taylor of your State, a list of the holders of the genuine & Spurious stock of the Bank of Kentucky, showing the largest portion of mine to be of the latter class; (although I have the certificate of the presidency officers of the Bank of Kentucky for all I own) I deem it proper, in view of the above facts, to tender to you respectfully my resignation as a Director on the part of the State, and in doing so, permit me to return you my acknowledgements for the confidence you have reposed in Committing to me, the responsible station of managing in part, so important an interest as the State owns in that Institution.

His Excellency
the Gov of the State of Ky.
Sir

I am informed that Mr James Robertson is an assistant for the office of Reg. Land office State Ky. Allow me to express my thoroughConviction of Mr Robertons qualifications for the Office he seeks, I have known him a great deal and for many years have been a resident in the same Village with him and I feel prepared to express for him the most favourable opinion both on my own behalf and the Citizens of this County generally, I doubt not that he is in all things perfectly adequate to the discharge of the duties of the office he seeks. And I feel satisfied that should you concur in this opinion and act accordingly you will not have to regret that you have misplaced your Confidence

I am Respectfully
