Having practiced the Law in Boon knowing the Standing of the present quarter Superior Judges also good men I am fully convinced that, the appointment of Moses Scott & Urial Sebree of that County as assistant Judges would give satisfaction to the people of that County and I am confident they are better qualified for that office - I am acquainted with the present quarter Superior Judges & also the two men Scott & Sebree. I have thought proper to make this recommendation as I am well acquainted with the people of Boon. Mr Scott is at this time the County Surveyor. whether this will operate against him I do not know but this I thought proper to communicate to you
