I hope your excellency will pardon the trouble I now give in recommending Mr Francis Glenroy as a proper person to fill the Office of an assistant Judge in the Count of Pendleton.

Notwithstanding my having signed a General Recommendation, yet sir from a long and intimate acquaintance with this man; and being conscious from his understanding, information and firmness that he will do honor to the Office; I feel bound by the friendship I entertain for him and the Respect I owe you to be this particular.

Sir, December, 18th 1814

We hereby assure you, that we hope one of the former assistant Judges of Bullitt has long since removed to Bairstown in Nelson County, & Basil Crow has frequently & uniformly since last spring refused to act as Judge & has declared to us he will not act in that Capacity, we therefore recommend Henry Crist as the most proper person to fill the office of James a Judges as next

His excellency Christopher Greenup

Sir, understanding, that a vacancy in Scott has happened, as to an Assistant Judge, we take the liberty of recommending for that office Capt David Thomas. He is a young man of about 30 years of age. He has been a man of business. His education has been far beyond common. His mind is stored with extensive historical reading with the Sciences. and has for his own information acquainted himself with the principles of Law by reading Blackstone. His steadyness & good judgement is far above common. His appointment would give great satisfaction

GR2-126

he is a man very fond of improvements & we have no doubt, but his exertions to oppress & unjustly with the law will be great should he be opposed - yours with esteem.
