Dear Sir/ Scott County October 24th 1804

After wishing you much hapiness in your Present Station. I have one request to make, Though I assure you it without the knowledge of the Person in whose favour I make this aplication. It is in favour of my Son William McDowell. and my wish is, that Should the Assembly make any more Circuit Courts there will be Perhaps a Judge or Judges to be appointed, or if a Vacancy Should happen. If you think him a Proper Person to nominate for that office and Should be so good as to do so you will lay me under lasting obligations

I know he is very tired of the Practice of the Law, but cannot well lay it aside unless your goodness Should inable him to Do so. This is in Confidence And believe me to be your Sincere friend and Very Humble Sert Samt McDowell

D. Sir,

I will take the liberty of Recommending Mr. Samuel Crow as an Associate Judge for the County of Bullitt. I served with him in the quarter Session Court and found him to be a very impartial and upright man, and I think him much preferable to any other man in the county as a Judge now his Bro. Basil has resigned. Some have talked of Capt. Jas. A Sturgus & Jas. Shanks, but I think neither of them would suit the office. It is an important one, none but men of independant ~~& exclusively~~ should fill it. Accept my highest respects

I have had an opportunity of Judging of his Legal Knowledge for some time.

I hold it in Esteem. And am, satisfied that any Public Trust, confided in Him will not be abused. excuse if you please the freedom I have used in this communication and consider me to be
