Frankfort (Ky)

Bullitt County Decr 28th 1807

To His Excellency Christopher Greenup Esqr Governor of the Commonwealth of Kentucky.

Your Petitioner, (William Simmons) of the County afore-said humbly states to Your Excellency, that agreeable to the Constitution, he is entitled to the Sheriff-ship in said County; but unfortunately, at the October Court last, when the Recommendation should have been made, by the County Court, there was no Court on account of the indisposition of the Clerk; and that being the reason why I was not recommended, I trust that Your Excellency will exercise the Power vested in You, in my favor by giving me the Appointment as Sheriff in said County as a compensation for my services, and Your Petitioner will, as in duty bound ever Pray. ~~Believe me to be with~~ I am, Yr Excellencies, Most Obt and very Humble Servt

Resignation of Achilles
Sneed Agent of the
Penitentiary Land
1838
Commission enclosed

Sir

Frankfort Dec. 24th 1807

Finding the business of Agent of the Penitentiary to interfer too much with my other business to pay that attention to it as I could wish, and believing it improper to hold an Appointment under such circumstances, have therefore enclosed you my Commission, which you will please to consider as a resignation of that Office. But as it will be proper that I should make a report to the Legislature at their next meeting It would perhaps be improper that my resignation should bear date prior to the handing in of the Report. In the mean time you can have an opportunity of looking out for one to fill my place ——

My confidence in W. J. Glover justifies me in recommending him to your consideration as a fit person to fill the Appointment, and any aid that I can conveniently give him will be done with pleasure.

The appointments you have thought proper heretofore to confer on me have impressed me with a due sense of your goodness and confidence in me. Should I have discharged the duties of those appointments to your satisfaction it will be a source of real pleasure to

Yours with due Esteem

Achilles Sneed
