Exqr

His Excly Christopher Greene

Dear Sir, Mr James [illegible]ell, Sheriff of Bullitt, has informed Me that in consequence of the indisposition of the Clerk, there was Not a Court in the Month of November last, at which Court, a recommendation should have been forwarded for a Sheriff — and has intimated to Me, that provided ~~I should~~ he should be thought (by the Governor ~~& Senate~~ and Senate) a proper person to fill that office he would wish to have the appointment — being necessitated to bring several suits in that County it has enabled Me to Judge of the propriety of McCauldwell conduct as Sheriff and from My own knowledge (as well from the information of some, of the most respectible Men of the County) I am authorized to say, that he is an indulgent a Sheriff as perhaps has been in the State, and has accounted for all Moneys put in his hands for collection to the satisfaction of those, whom he has done business for, & have No hesitation in saying that his being appointed would meet with the approbation of a large Majority of the County —

I am Dear Sir with Esteem

Yours Respectfully

His Excly Governor Greenup

Robert Allen

December 19th 1807

GR2-12

To his Excellency Christopher Greenup Governor of Kentucky

We the Subscribers do certify that James Caldwell the present Sheriff of Bedford County is generally spoken of as a good Sheriff; and as far as his transactions, as such, have come under our observations, we approve them - and we think his continuance in the office would give general satisfaction
