Sir

Henderson 24th Feby 1808.

Since our arrival here we have been credibly informed that David Wright lately commissioned Sheriff of Hopkins County is residing in this County and has been for several months past, in consequence has resigned his office — The County Court it seems have recommended one to supply his vacancy and no doubt wish you to commission him & we believe this appointment will be generally pleasing to the people — We should not have addressed you but to obtain the commission of some person as that office has been & is like to be vacant several months — We are respectfully

To His Excellency
Christopher Gardner
Governor of the Commonw.th

Hopkins County February 25th 1808

Dear Sir we understand by Col. Danl. Ashby & Capt. Philip Barbour that David Wright is commissioned as a Sheriff for our County, and Wright has moved out of our County and we ~~are~~ have no Sheriff and our Circuit Court coming on shortly we wish William R. McGary to be commissioned to fill up the vacancy as he was recommended by a majority of our County Court and it is our sincere wishes being the two assistant Judges for the 5th County, that McGary could be commissioned time enough to do our business at our March Court as there is a good deal on the docket the recommendation was sent by the Male some time ago but the highness of water has prevented the mail from passing we are Sir your most Obt. & Humble Servts

I do hereby that John D Poage and Charlez A Lewiz Gentlemen are the two Senior Justicez of the Peace in now acting acting as such in and for the County aforesaid; and that there was not a sufficient number of Justicez of the Peace attending at the Court which should have recommended the said John D Poage & Charlez A Lewiz as proper person to fill the office of Sheriff in said County, was the Cause I believe why they were not recommended. Given under my hand and seal as Clerk of the said Court this first day of February 1808
