Dear Sir

I enclose you a certified copy of an indictment against David McKee and William Hutchenson charged with stealing cattle some four or five years ago. Hutchenson broke jail and never has been heard of 'till a few days ago, when the Jailer learned from a source to be relied upon that Hutchenson has been living in Virginia for some time past. Craddock has always been suspected of being a confederate of H both in stealing the cattle and the bribery of a negro about the Jail through whose instrumentality H made his escape; and it is supposed that the recapture of the former may lead to the detection of the latter. I am therefore requested to ask you to endorse a demand on the Governor of Virginia for William Hutchenson, and empowering Stephen Chenoweth or a Ronald and Duval or either of them to receive him.

To His Excellency

The Governor of Kentucky

Sir,

I send

You enclosed a copy of a letter from the Commonwealths attorney, residing in Louisville Ky relative to the arrest of one Peter Chandler, accused of having committed murder in this State. It is highly important to the ends of justice that as villainous & atrocious stained be brought to punishment, but I fear that the time, for which he can be confined by the laws of Kentucky will expire before the Evidence, upon which to make the demand, can be procured as required by the act of Congress.

We have in Missouri, a law authorizing the Executive to surrender fugitives from justice, without requiring a copy of an indictment to accompany the demand. Have you any such authority by the laws of Kentucky and will you regard the instrument of affidavit, mentioned in the act of Congress to be produced to you, before a writ will be issued for the surrender of the accused to the proper authorities agent of this State?

I shall be pleased to hear from you
