December 9th 1845

To his Excellency
Gov. William Owsley – Sir I forward to you some letter upon the subject of my Commission as the Sheriff of Carter County. I have enclosed in a letter to Major Conner of the Senate, a copy of the order recommending me to your excellency. It is not officially certified, but Capt. James Lampton, who is a justice of the peace of Carter County will be in Frankfort and he knows that the order was made, for he was on the bench at the time. I have understood that an effort will be made to prevent your excellency from issueing the Commission, by L. W. Andrews and others, who are endeavouring to punish me for having petitioned the Hon. Judge Metcalfe for the expulsion of Jefferson Evans, one of the most corrupt and profligate Lawyers that ever disgraced the age, from the Bar of Kentucky. The Barratarous conduct of Evans, caused several hundred dollars to flow annually into the pockets of Andrews and some other leading lawyers of the bar, which they would never get, but for his barratarous conduct forgetting their obligations to the people, and the laws, they sought to keep him at the bar. I have underwent many bitter persecutions in this county since 1842, a detail of which, is set forth in a statement that I have forwarded to Saml. Laxton Esq of the House of Representatives and Maj. Conner of the Senate, and should it be necessary, I beg leave to call your excellency to read it. The foreign lawyers that started up this persecution, have got a few signatures of men of the county, three of whom were applicants for the office of Deputy Sheriff. Some have taken their names from the document. I feel confident, that justice in the end, will be done.

I am Sir, your obt. Servt

To His Ex.y Gov. Owsley

Sir

I understand that a vacancy has occurred in the Office of Comw.th Attorney in the adjoining Judicial District, by the Resignation of the present incumbent, and that Wm W. Banton is a candidate to fill the vacancy. It gives me great pleasure to testify to the the excellent moral character of Mr. Banton and to his fitness as a lawyer to fill the post he seeks, and although I do not know the wishes of the district in this matter, yet I doubt not, Mr B's appointment would be highly acceptable to the people and to the Bar.

I remain with high respect
Your Obd.t Ser.t

His Excellency, Gov. Owsley,

I have just learned that Mr Clarke of Winchester will probably resign his Office of Attorney for the Com'th, and that, in that event, R. H. Hanson Esqr of Paris will be an applicant for the Office.

I have known Mr Hanson intimately for the last eight or ten years. His professional attainments and high character for integrity and moral worth as a gentleman are such as eminently qualify him for the Office in question, and I have reason to know that his appointment will give general satisfaction to the district.

Very respy &c
