Dear Sir, Frankfort Oct 8th 1812

Understanding that Judge Allen has resigned, and that there is now a vacancy in that Circuit — I have been induced to proffer my services to fill that vacancy as a Circuit Judge In personal application respecting myself I have always felt an insurmountable diffidence, which is my apology for this mode of application — It is not for me to say any thing more, than that I would take a pleasure in discharging the duties of a judge, as far as my capacity extends — If a recommendation from the

Bar should be deemed necessary all
I ask is a little time to procure it.
However if my qualifications should
not be deemed adequate to the task
I shall acquiesce with the utmost
cheerfulness, conscious that the Ex-
ecutive Magistrate of Kentucky can
have no other motives for his appoint
ments than his Countrys Welfare
a Letter on the aforesaid subject
directed to my self in Louisville would
be very acceptable — I had contempla-
ted a residence in the Miss Ter-
but being very partial to my native
State, would be highly gratified
in being placed in a situation to

enjoy the blessings of her soil & climate, whilst I have the pleasure of rendering her services.

I am with sentiments of high respect

I. S. Cowan

P.S. a situation in the American Army that would afford me an opportunity of rendering my Country the most essential service would be my choice But having arrived from the Lower Country too late to join the Canadian expedition I am compelled to seek the means of support which is my apology for this application
