Frankfort January 19th 1813

A personal acquaintance with William P. Roper Esq. recommendship enables us to your Excellency as a proper person to be commissioned Attorney for the Commonwealth in the first Judicial District in which he resides under the provisions of the act of the present Session on that subject.

We unite in representing him as a gentleman of information, integrity, and correct deportment — and those of the subscribers whose proximity of residence have afforded them an opportunity of forming a correct opinion on that subject, further represent to your Excellency, that his professional acquirements are entirely respectable, and that he has prosecuted the pleas and intent of the Commonwealth in a manner satisfactory to the people and creditable to himself for several years last past in the Circuit and County Courts of Fleming the Lewis Circuit & Nicholas County Court

Dear Sir

I inclose you a recommendation for Wm T. Barry this Gentleman's talents & capability to discharge the duties of the office to which he aspires is well known to all who are acquainted with him, and for myself I can say he, is one in Whom I have the greatest confidence as a man and a lawyer he has for many years acted as attorney for the Counties of Fayette and Jessamine and has acquitted himself to the satisfaction of the people and with honor to himself and I am sure should he meet with your approbation his appointment will be pleasing to the people of the District I have conversed with the Gent. Who represent the Counties of the District both in the Senate & H. R and he meet with their approbation, altho' I do not approve of the Law which imposes on you the additional task of new nominations, Yet it has been thought by the constitutional majority of the Legislature to be constitutional, and the minority must yield. I am dear Sir your friend
