Respecting Commissioners
Acts for 7th District

The Honble
Isaac Shelby Esq.
Governor of Kentucky

Presented by
my friend W. Chambers. Frankfort.

Logan County. 15th June 1816.

Most Respectfu governo

I think you know the Walker blood too well to suppose me capable of recommending to your attention my own dear Brother Jacob. W. Walker, as States attorney in lieu or in the place of Paesley Edwards who is about to resign that office; unless I knew his fidelity and ability. My good Sir Geo: M. Bibb Esquire, John Jay Crittenden, and John Bibb all concur with me in opinion of the mans sterling worth. May that good god who has permitted you to cut a conspicuous figure in the defence of your countries liberties in two wars, long permit you to enjoy the sweets of Liberty and peace

Your sincere frend and very Hble Servant

Dr Sir

Presley Edwards is about to resign the Office of Commonwealths Attorney. My Nephew Ephm. C. Ewing is a candidate to succeed him previously to my having any knowledge that he wished or would accept the Office I signed a recommendation for Saml. Caldwell which I have no doubt is the situation of this his being the first and only recommendation presented Delicacy commands silence in me on account of the relation But I hope your Excellency will pardon me when I express my belief that if appointed he will fill the Office with that diligence ability & zeal which will do credit to himself & justice to his country.

Yours with respect
Robin Ewing
