His Excellency
Governor Shelby

Honored Sir

I am informed that Mr Madison Miller is now determined to resign his office as keeper of the Penetty in Harrisport — & I have but little doubt that applicants for that office will be numerous as the frogs & lousts were in the days of Faro — yet I have taken the liberty of offering my self as one — & being well aware that the Governor knows how easy it is to procure recommendations in those days — I shall not trouble him with my procured for me, unless required by him — more than a shot one of my own. & that is — that (as a farmer) I am pretty much of a mechanician — & that was I placed in that office — I think I could at least prevent them fellows from
