Mr. Martin D. Hardin Secretary of State

Dr. Sir.

I return you the Inclosed Commission, which I received on the 13th of this Instant. By which you will discover that a mistake has in some way taken place in Issueing the same.

By an Examination of the Recommendations, sent by me, to your office. I think you will find, that Mr. Andrew Wilson, was the first Named in the Recommendation for a Justice of the Peace, to fill the Vacancy occasioned by the Death of Henry C. Bruce Esq.

And on an examination you will also discover, that Mr. Archibald Fizzle is the first Named in the Recommendation for a Coroner, in County, to fill the Vacancy occasioned by the Resignation & Removal of George M. Davis Esq. — The inclosed, Commissions both of the above Named Gentlemen, Justices of the Peace. when by law, we are only intitled to one. — & no Commission for a Coroner has yet Came to hand — I have thought it was not advisable to Send you the Commission, So that you alone may Correct the Error, & Records - And others Issue, or at least that one for a Coroner may be issued, & the inclosed corrected. as neither of the Gentlemen have yet accepted or acted on it.

Yours &c

Louisville July 12th 1816

Your letter of the 6th has just come to hand I do not feel the appointment of Mr Newland as any Objection to receiving one myself

As the business to be done by a Notary is often urgent and as no Officer can always be at home I entertain no doubt that two in a place of so much activity as Shelbyville is becoming will be a matter of public Convenience Your offer therefore will be cordially accepted by
