Recom.ns of Sheriff
of Barnstable

His Excellency Governor Bowdoin

Boston

To his Excellency Isaac Shelby

Governor of Kentucky.

Whereas it appears that the County Court of Hardin County failed in due time to recommend a fit Person to fill the office of Sheriff, according to Law, in consequence of which a recommendation was sent to your Excellency to appoint Robert Blakley And since that a Commision has Issued to Jacob Inlow who refuses to serve, and hath sent back his comission. We therefore recommend George Helm as a fit person to fill said office having acted as Sheriff for many years in this County and who is well acquainted with the duties of said office
