Dr Sir

I recd yours of 17th Inst by Mail & a duplicate by Mr McDowell on yesterday— I arrived here a week ago expecting to close my accounts immediately, but Col° Morrison feels a reluctance in taking them up; he wishes me to complete the settlement of the Quarter Masters accounts on the left wing; but is not willing to advance the necessary funds, as he is about going out of Office, he does not wish to draw bills on the Government & has not cash on hand to discharge these claims— He has wrote to Gen¹ Harrison on the subject, I have also wrote & expect his Answer to morrow— Until this question is decided it will be impossible for me to determine whether I can accept the command you have done me the honor to offer me in Col° Dudleys Regt— I will await here Col° Morrisons final Answer, will write to Gen¹ Clay & Gen¹ Harrison and know if I can be allowed sufficient time to close my accounts if it can be allowed I will accept— If not I must continue in the 2d Battalion until my accounts can be settled—

I will proceed from here to Dayton, Cincinnati & ~~Frankfort~~ to Lexington; as soon as it can be determined you shall hear from me without delay— We have been weather bound here for a week with high Waters & bad roads the whole Country has been inundated & the roads almost impassible I start to morrow at
