His Excelency Isaac Shelby

Paris Bourbon County July 1th 1816

Dear Sir

I feel constraind to trouble your excelency with a few lines in favour of a Mr Samuel Stone who Posted a Small & trifling Stray Mare before me in July 1813 which was then 3 years old - and was apraisd to only $18 - he kept the mare until some time in September 1814 when he Supposed that he had a right lawfully to sell her as he had been Informed by Several persons that his Keeping her one Year after taking up - She became the property of the taker up - his being responsible at any time afterwards for the apraisment Should the owner apear and Claim it I am fully Satisfied it was under them Impressions that he Sold her - and after haveing the expence of Posting & and advertising her & Keeping her fourteen

Sh 13-44

month could only get $22.50 for her
Some time shortly after the taking up of the
mare a difference took place between Mr Sconce
and a Mr Isaac Forsythe (who to my own
knowledge is deamed a very troublesom
man in a neighbourhood) and in consequence
of a difference Forsythe sued him for
on behalf of himself and the commonwealth
for selling the mare - and at last May court
in this County obtaind Jugement for £50.00
which is half coming to the Commonwealth
Mr Sconce is a man in very moderate cir
-cumstances and has a large family of Children
therefore I think if you can feel a freedom
to remit the part that is coming to the
State which as the Constitution authorises
you to do - It would be right and proper
as I am satisfied Mr Sconce was not
conscious of having violated any law
in selling the mare - I feel satisfied
your excellency will do what ever you think
right in this case and so I subscribe my
Your Humble St
A. Parker

NB no owner has yet claimed the mare

His Excellency Isaac Shelby Esqr Governor
of the Commonwealth of Kentucky —

We the undersigned Petitioners would respectfully
=ect that Peter Ingles of the County of
Harrison made application to the County Courts
of the afd County at their August Term
1814 and obtained an order for the viewing of
a road through P. Ingles land. Said Ingles
soon after went into the service and performed
a tour of six Months under Col Porter. While
absent, said Ingles request, one of the Reviewers
returned their Report which was a favorable
one (as will appear by the annexed Certificate)
Ingles knowing what would be the Report return
=ed, directed that in his absence his fence
should be erected, believing the Court would not
hesitate to receive the Report. The Court from
the Multiplicity of business before them omitted
or lost the paper so that the order was, over
made on the Subject. The Grand Jury at their
succeeding Term presented said Ingles for having
obstructed the public Road by his fence & at
the June term of the Harrison Circuit Court
1816 said Ingles was fined the sum of $11.
which from the imperfect Nature of the
Law on that Subject could not be
recorded

SL 10-48

We are not of opinion that said Ingles did intend a violation of the Law, but believing the Report had been Received was on this way Received and through the Negligence of the Court alone to whome the Report was made Ingles we believe to be a poor man & not well able to pay the above ~~forefeiture~~ fine which we trust yr Excellency will remit
