To his Excellency Isaac Shelby Esq

Whereas Nathaniel Taylor laborer of the County of Grayson and State of Kentucky was fined the sum of five dollars by a court of assessment of fines for the 87th Regt K M the last Monday in Nov last, that the charges exhibited against him were that he refused to muster at the several Musters last summer, that the said Nathaniel Taylor States his reason for not Mustering was that prior to the formation of the 87th Regiment he held a Lieutenants Commission in the 60th regiment of which the 87th was formed, and when the several officers of the 60th Regt were recommissioned in the 87th he Nathaniel Taylor did not receive any and he always Concluded that his Commission would last with him during good behavior, or removal and no cause can be shown why said Taylor did not Continue in office, unless through some neglect in recommendation and that the Captains Commission belonged to him by Seniority and a vote of the Company, Wherefore as we conclude that said Taylor Considered himself aggrieved, and he having a chargeable young family to maintain in humble Circumstances we pray that your Excellency Compassion will extend as you are authorised
