To his Excellency

James Garard Esqr Governor

His Excellency James Garrard Esqr.

Governor of Kentucky.

Sir/ a Few days ago I returned from a Tour on the Turnpike Road and am sorry to say that it is in bad Repair at Present. The Road Leading From Madison County To Langford appears to be Totally Neglected. a Few days Previous to my going on the Road I Rec'd a Letter From Mr. Ths. Moon stating that he should have Some hands on the Road on Wednesday Succeeding the Date of his Letter, and Requesting me To attend them a Few Miles and give Such Direction as I Should think expedient. In Consequence of Which I attended But No hands have Since been on the Road. —

And Sir, Not that I would presume to direct your Excellency, but I candidly think that a Method Could be devised of Letting the Turnpike that would be of more General Satisfaction and Public utility; But as that Body before whom a Consideration of this nature rests is made up of Members many of whom are Superior to My Self I Shall Leave the Care to your Excellency
