In the matter of application for Pension of Ann Victoria Dadisman, whose post office id Van Buren, Ky.

James H. Dadisman, of Van Buren, Ky. after being sworn says that applicant is the owner of real estate a house and lot to the value of $700. and personal property to the value of $100. that her only income is the rent of said property which amounts to about $36.00 per year, and that she is 68 years of age, and lives in Anderson County, Ky. and has lived there for the last 40 years, and is the widow of John ######## Dadisman.
And has never again married.
That she is not able to earn a support, by manual labor or to earn a supprt by her knowledge or skillin any profession, trade or craft. That applicant does not receive a pension from the United States, or any State or Foreign government.

Mrs. Ann V. Dadisman,

Van Buren, Kentucky.

Dear Madam:-

I am in receipt of yours of the 11th. Your application is on file here, but has not been reached by the Pension Board for consideration, but I have examined the proof in your application and find that the witnesses who testified to your husband's military service state that he was captured in Ohio, but know nothing further of his service and nothing as to how he got out of the army.

The war records on file in the Adjutant General's office in Washington show that he was captured Dec. 22, 1863, and that he was released March 14th, 1865, at Rock Island, Illinois, on taking the oath of allegiance to the United States Government. Not having been honorably discharged, and having taken the oath of allegiance to the United States Government before the war closed, renders it impossible for the Pension Board to grant you a pension under the present law.

Very truly,

Dear Madam:-

I am in receipt of yours of the 8th.

An affidavit was received here on the 6th of November signed by Jordan Cook and James H. Dadisman, but this affidavit does not bring you within the provisions of the pension law.

These witnesses say that John Dadisman had chronic diarrhoea and was advised by his friends to take the oath, which does not make it appear that he was compelled to take the oath in order to save his life.

Yours very truly,

Commissioner.

Mrs. Ann V. Dadisman,

Van Buren, Kentucky.

Dear Madam:-

I am in receipt of yours of May 8th.

The affidavit signed by Edward J. Cook and James H. Dadisman simply says that they know your husband took the oath of allegiance in order to save his life. Neither in that affidavit, nor the one made by them before that, is any reason given why your husband should have taken the oath, and the law provides specially that it should have been on account of certain conditions.

Very truly,

Commissioner.
