Dear Sir:-

The application for pension of Mrs. O. B. Wade has just been reached for examination and I find that when she filed her application she filed no proof as to her husband's military record and no proof as to the date of her marriage to the soldier. On inquiry to the War Department I find that the records show that Obediah Wade enlisted Sept. 2, 1862, in Co. E, 5th Kentucky Cav., and that on February 28, 1863, he was present with his company, and there is no other proof of record of service and no record of his ever having been a prisoner. This proof does not bring her within the provisions of the law. Proof of any service he rendered after Feb. 28, 1863, to bring her within the law must show that her husband served till the close of the war or until he was honorably discharged, and that proof must be made by men who served with him and know the facts in the case and themselves made honorable record.

Very truly,

Commissioner.
