Dear Madam:-

I am in receipt of yours of the 25th, and since its receipt I have carefully examined the proof filed with your application, and I find that it shows William H. Boone enlisted August 20, 1862, in Company H, 8th Kentucky Cavalry, and there is record proof of his service to February 28, 1863. Two of his comrades testify to his service to July, 1863, but there is no proof of any further service and none as to when or how he got out of the army. There are two affidavits here, one by J. D. Smith, and one by W. R. Smith, testifying to his having been at home and having gone to Lexington, Ky. and taking the oath of allegiance to the U. S. Government, but they say they are not certain as the time or the year it was.

With the proof on file a pension could not be allowed you under the law. Proof of further service, if any, after July, 1863, and when and how he got out of the army is absolutely necessary.

H. Boone, was taken by the father of affiant to Lexington Ky. for the purpose of surrendering and taking the oath of allegiance; and that affiant has often heard his father say that he did take the oath of allegiance and did surrender, in Lexington, that day. That affiant further states that he knows W. H. Boone to be an honest, and reliable man

Dear Madam:-

Replying to yours of the 1st, I have carefully re-examined your application and all the proof filed with it, and I find the letters to which you refer are on file with the application.

There is no proof of your husband's service in the Confederate army after he was captured in Ohio except that it is stated by one or two of the witnesses that they saw him scouting in the mountains and one witness testifies that W. H. Boone went with the father of witness to Lexington, Ky. and took the oath of allegiance to the U.S. Government, as he heard his father say, in June, 1864 or 1865, which leaves your application in the position of being proven from the time your husband enlisted in the Confederate army, August 20, 1862, till the time at which he was left in Ohio in July, 1863, without any definite proof as to definite service that he rendered after that date.

The proof necessary in the case is to show his actual service, if any, after July, 1863, and when and how he got out of the army. I am aware of the fact that it is stated by one or two witnesses that they saw him scouting in the mountains, but it is ~~shown~~ not shown that he was with any Confederate command, nor that he was doing scout duty whose command he was acting under or to whom he was reporting.

~~Mrs. Sarah Margaret Boone:~~

I am the widow of William H. Boone. He had made application for a pension before he died but he died before it was granted. I have lived in Kentucky since I was a child. I bought a house and paid \$700 on it and owe \$600 on it now. I am not able to perform manual labor. I do not draw any pension. I have no means of support. Now live in Lexington, Ky.

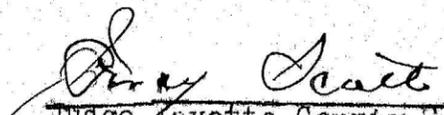

Jas. McConotby,

I know Mrs. Sarah Margaret Boone. She is widow of Wm. H. Boone, and I know he was a soldier in Confederate army. I know she has been a resident of the State of Ky. since before 1905. I do not think she is able to perform manual labor. Now lives in Fayette County.

~~A. C. Stephens:~~

I know Mrs. Sarah Margaret Boone. She is widow of Wm. H. Boone who was in the Confederate army. She has lived in Ky. ever since the war. She is not able to perform manual labor. She has no means of support to my knowledge. She now lives in Fayette County.

Judge Fayette County Court.

Affiant, Mrs. Melvin Helm, states that she is a sister-in-law of W.H. Boone, deceased; that she has known the said W. H. Boone since her child-hood. Affiant further states that she knows W. H. Dear Sir:-

I am in receipt of yours of the 17th inst. enclosing the affidavit of Mrs. Melvin Helm to be filed with the application of Mrs. Boone.

This affidavit simply states that the affiant knows that W. H. Boone was a soldier in the Confederate Army during the years of 1863 and 1864, and that the way she knows it is that she saw him at different times at her father's house.

The pension law requires that a soldier shall have served from the date of his enlistment until the close of the war or until he was honorably discharged. ~~The war did not close in 1864, and this affidavit does not extend the time of service till the close of the war, and of course the fact that a person saw one in the army at different times does not prove that he served till the close.~~

But after that time, I met him

I spoke of having been in Boon

He told me of several
incidents that occurred at the time I

And I at that time, was
thoroughly convinced that he must
have been one of the soldiers who
was with us, in Boon Co. in the spring
of 1864.

Those of us, who were there at that
time, recognized that Capt. Tom Henry Hines

And we were doing service for

At that time and were arranging

would so order.

Before we could get South Gen Lee

Mr Boone carried papers to Dr Douglas Price, located 3 miles on the old Frontfoot Pike from Lexington Ky.

On one of his trips he came as Body Guard to Captain Coffey to Versailles Ky.

On one trip 1 of their men was killed by bushwhackers. I think this man's name was Bill Easop. Mr Boone carried him on the front of his saddle *Conceduata hatana*

He brought official of the

In 1865, and when the
war closed I know that

also sent George Estlin who
afterward died in Rome City.
I know that Mr. Boone
through my father Persession

I not only read that oath
after I married Mr. Boone
in Nov 1867, but have heard
him read it to his friends.
His aged Mother went South
taking the oath with her
then she died and
the oath became Mrs
